Ado's February Air Spray

Welcome to the February edition of the Ipswich Branch newsletter.

The first two rides on the calendar were something to be believed. 85 participants on two rides, who would have believed it. The first was Amanda's ride to Wyaralong Dam where all feasted on pancakes, jam drops, scones and all other sorts of wares. I'm sorry if I don't remember exactly what was on offer and who brought what but I was too busy stuffing my face and chatting to notice. What was obvious was that it seemed everyone answered the call to bring a thermos. Gees I didn't count them but they took up the complete area of a table, so thank you everyone for bringing water for the cause. Some of us even got to see some of the 4,000 fingerlings of Cod and Perch released into the dam. Pity it will be 4 years before they will be old enough to be caught and even then it will be only for catch and release.

The second ride was led by the Grey Wolf up to The Barn up Flagstone Creek way. Another turnout of 40 plus participants who obviously loved the ride and the venue. Unfortunately Amanda and I had to leave the ride at Esk but the ride up to that point was extremely enjoyable. As we say every month to you, we need ride leaders and that means we need you to put your hands up so we can fill our calendar every month. Sometimes it will be our given ride and other times we will be tagging along with another organised ride. No matter whichever it is, we can enjoy each other's company.

For those who follow the rumours that crop up every now and then, I can inform you that our National Committee has met and has given the branch their approval if ever we find the need to relocate. This does not mean we are moving on but it is good to know that if we ever outgrow our current venue then we will be able to find a venue that suits the majority of the branch.

The Interbranch BBQ is organised for the 21st of the February and we will be hosting Mt Lindesay, Brisbane, Northern Rivers and Tweed Border branches. We will be needing all hands on deck and I have no doubt that the Ipswich members will rise to the occasion. Please keep an eye on the website and for updates on how you can help. The venue is Cormorant Bay at Wivenhoe Dam and we are hoping to secure enough area for portable tables and chairs.

The branch AGM is on the 1st April and nomination forms are in this newsletter and on the webpage. If you believe you have something to offer the branch and would like to nominate for a position on the committee for 2016, then you will need to complete the following steps. The nomination form needs to be signed and seconded by separate financial members of the Ulysses Club and passed onto Amanda the branch Secretary. The nomination will need to be in Amanda's hands before close of business March information night. The forms will be checked for authenticity before all nominees will be announced.

Keep it legal – I's a watching ADO

DV RIDE UPDATE

The DV Ride Committee met this week and we are definitely in the throngs of planning our 2016 event. The Committee so far includes your Branch Committee members (and their partners) and branch members Marita, Daffy, Smurf, Tweetie, Jay Are you keen to join us?

We are working on advertising our event with Kon working on the website and Wayne and Marita looking after facebook. Over the next few months we will be visiting all SEQ branches of the Ulysses Club to advertise – there will be a blog on the website if you are keen to come along. It is always good to meet other Ulyssians and branches and make a few new friends along the way.

Thanks to our member, Mario for updating the flyer for us – it is currently being printed on glossy paper. If you need some for distribution please don't photocopy – let Amanda or Ado know and we will get printed glossy copies to you.

Also – The Ipswich City Council have approved the Community Development Grant of \$2,500. We are still pending with fingers and toes crossed the grant from the Qld Govt to help to make our day better than last years, if that is possible. Amanda (Coordinator)

Threads for the Web

Website or Web site:

A set of interconnected webpages, usually including a homepage, generally located on the same server, and prepared and maintained as a collection of information by a person, group, or organization.

Googling on the web:

Punctuation & symbols

Even though you can use the punctuation marks below when you search, including them doesn't always improve the results. If we don't think the punctuation will give you better results, you'll see suggested results for that search without punctuation.

Symbol How to use it

+ Search for Google+ pages or blood types
Examples: **+Chrome** or **AB+**

@ Find social tags
Example: **@googler**

\$ Find prices
Example: **nikon \$400**

Find popular hashtags for trending topics
Example: **#throwbackthursday**

- When you use a dash before a word or site, it excludes sites with that info from your results. This is useful for words with multiple meanings, like Jaguar the car brand and jaguar the animal.

Examples: **jaguar speed -car** or **pandas -site:wikipedia.org**

" When you put a word or phrase in quotes, the results will only include pages with the same words in the same order as the ones inside the quotes. Only use this if you're looking for an exact word or phrase, otherwise you'll exclude many helpful results by mistake.

Example: **"imagine all the people"**

***** Add an asterisk as a placeholder for any unknown or wildcard terms. .
Example: **"a * saved is a * earned"**

.. Separate numbers by two periods without spaces to see results that contain numbers in a range.

Example: camera **\$50..\$100**

Search operators

Search operators are words that can be added to searches to help narrow down the results. Don't worry about memorizing every operator, because you can also use the [Advanced Search](#) page to create these searches.

Operator	How to use it
site:	Get results from certain sites or domains. Examples: olympics site:nbc.com and olympics site:.gov
related:	Find sites that are similar to a web address you already know. Example: related:time.com
OR	Find pages that might use one of several words. Example: marathon OR race
info:	Get information about a web address, including the cached version of the page, similar pages, and pages that link to the site. Example: info:google.com
cache:	See what a page looks like the last time Google visited the site. Example: cache:washington.edu

Note: When you search using operators or punctuation marks, don't add any spaces between the operator and your search terms. A search for **site:nytimes.com** will work, but **site: nytimes.com** won't.

And now for something completely different:

Customer: I can't get on the Internet.

Tech support: Are you sure you used the right password?

Customer: Yes, I'm sure. I saw my colleague do it.

Tech support: Can you tell me what the password was?

Customer: Five stars.

GENERAL KNOWLEDGE

QUICK CROSSWORD

5x5

Insert the missing letters to make ten words — five reading across the grid and five reading down.

Note: more than one solution may be possible.

WORD GROUND

How many words of four letters or more can you make? Each letter must be used only once and all words must contain the centre letter. There is at least one nine-letter word.
No words starting with a capital are allowed, no plurals ending in s unless the word is also a verb.
TODAY: Good 25 Very Good 33 Excellent 43

Sidokü

Fill the grid so every column, every row and 3x3 box contains the digits 1 to 9.

ALPHAGRAMS

Solve the anagrams. Each solution is a one-word anagram of the letters beside it, and the five solutions are sequential. For example, if the five-letter solution starts with J, the six-letter solution starts with K, and so on.

Note you can add a few chocolate chips to top of muffins before baking.

VP REPORT

First of I like to thanks Amanda for the ride last month. It was Tracy's first ride for quiet sometime, which she enjoyed thoroughly. Her hip was a bit sore once we got home, but she is looking forward to another ride soon. It was the first time that we have been to Wyaralong Dam & Tracy has been back since with some of the kids she was looking after. A place to visit again 😊

I encourage one & all to help with & attend both the Inter Branch BBQ & our DV ride. To make these events outstanding, we need all hands on board. 😊

The Lament (dedicated to us old blokes)

With fond regret I often remember, those glad old days of joy & fun,
When all my limbs were soft & tender. Did I say all? Well, all but one.
Alas, those days are gone forever - those wondrous days of joy & fun.
Now all my joints grow stiffer & stiffer. Did I say all? Well, all but one 😊

Wayne "Strop"

Lumberjacks Road Rash

Hi folks,

We only had one ride since last info Meeting, but it was a good one. (The Barn)

The weather was good and the people at “The Barn” were happy for all the about 40 people that turned up to blow their money on food. When we arrived, there were no tables for us, but we fixed that small problem by removing the names on a reserved table that had the right size for us. How disgraceful!

Ipswich branch rides and rides of interest:

Date	When	Where to meet	Ride leader	What's happening	Distance
07/02/2016	09:00	Karalee Shopping Centre	Erik	Maryvale pub via Ma Ma Creek	285 km.
21/02/2016	10:00	Cormorant Bay day use area – Wivenhoe Dam		Interbranch BBQ	
06/03/2016	09:00	 Yamanto	Kon	Lions Road race	
20/03/2016	T.B.A.	 Yamanto	Marita	Black dog ride / Coffee ride	
03/04/2016	09:00	 Yamanto	Jay	Split yard Creek, Atkinson Dam, Lunch at Esk.	

For the ride on Sunday 07/02:

This is a scenic ride with two short sections of twisties where the most severe part is just after Ma Ma Creek so I don't consider it too hard as I am expecting you to do the twisties at a speed that you are confident doing. Ma Ma Creek shop is open yet again and they made some really good coffee. (I liked it and I'm fussy when it comes to coffee). Maryvale Hotel have some big serves of food for a fair price.

We need more ride leaders!

It seems to be the same few people that come up with rides. This is ok, but you may not like the way the rides are planned or the destinations.

This can easily be fixed. – Just come and see me with a ride of your own.

You may not want to be a ride leader. – That's also ok. Just come and see me and tell me what you want and where you want to go and I will try and make that happen.

The bottom line is that we don't want a few people running the show. We want everybody to be involved so we have rides for everybody's likings.

See you all on the rides and ride safe.

Erik (Lumberjack.)

Australia Day 2016 – Red Rock

BY GARY AND LEONIE

The past 3 years we have been going to Red Rock Caravan Park for the Australia Day long weekend with fellow Ulyssians from other branches. Logan City branch organise the weekend.

Fun was had by all who attended. Activities on offer were swimming, walks along the beach and headland, dinner at the Amble Inn on Sunday night, cricket match, a game of boche, lamb sausages, lamingtons and pavlova, storytelling and 'What would Laurie say'.

We will be booking in again for 2017. Logan City branch have extended an invite to all Ipswich members to come along and join the fun.

Ride to the Barn Sunday 17th January 2016

Shane aka Grey Wolf #63704

Thanks to all who came on the ride to the Barn. We left Yamanto shopping centre at 9am, rode out along the Cunningham highway, and turned off at the Amberley turnoff. Then it was a ride to Rosewood, Marburg, Lowood and Fernvale. As the weather was good, it was then an enjoyable ride to Esk, where we stopped for a break.

We left Esk about 10:45am, and rode along the Gatton - Esk Road, into Gatton, Grantham, then to the turnoff to Flagstone Creek road. There were a few twisties along the way, which was good after all the straight roads.

We arrived at The Barn about 11:45am, and ordered our lunch. We had to wait awhile, as we had about 40 people on the ride, so patience was required, but I think everyone enjoyed themselves.

I would like to thank those who came along, and I hope all had a great day and ride.

Thanks again Shane, Grey Wolf

A Quick Ride with Friends by Amanda

A few weeks ago, Ado and I planned a short ride with Konrad, Mick and Paula on a lazy Sunday morning. Unfortunately we woke to an overcast sky. On ringing Konrad he said the skies were already sprinkling at his home, Mick and Paula from Karalee had no rain yet but it was overcast, and at Yamanto the skies had opened up. What to do, it was only a bit of rain; and the Indian had to get wet once we supposed.

A few phone calls later, were we going or not? We assumed that Kon wasn't in for the ride due to the rain— so cancelled him and the ride. A call from M&P and we decided we would head off and take our chances.

Off to Boonah for morning tea, a visit to Lake Moogerah for some socialising and then home. Sunshine abounded with the vintage bike club at the Dam and families enjoying a cricket match.

When we reached Peak Crossing the skies opened and we got wet for approximately 2 klms – then sunshine.

On getting home we called Konrad to see how he was travelling and guess what – he had decided to head out himself, a little rain wasn't going to stop him. Funny thing was that his route was very similar to ours, and our paths must have crossed many times, without seeing each other.

Motto of our story:

“Don't assume because it did make an Ass out of You and Me (Ado & I) and we didn't get to ride with Kon”

Life is short
Break the rules
Forgive quickly
Love honestly

Laugh easy
Keep it simple
Ride often
Ride FREE

And never regret anything that makes you smile...

Valentine's Day 14 February

What is Valentine's Day? St Valentine's Day is an annual festival to celebrate romantic love, friendship and admiration. Every year on 14 February people celebrate this day by sending messages of love and affection to partners, family and friends. Couples send Valentine's Day cards and **flowers** and spend special time together to honour their love for each other.

The Early History of Valentine's Day

Valentine's Day is named after **Saint Valentine**, a Catholic priest who lived in Rome in the 3rd Century. There are many stories about St Valentine and over time these stories grew into the legend we know today. At the time of Valentine's life, many Romans were converting to Christianity, but the Emperor Claudius II was a pagan and created strict laws about what Christians were allowed to do. Claudius believed that Roman soldiers should be completely devoted to Rome and therefore passed a law preventing them from marrying. St Valentine began to marry these soldiers in secret Christian ceremonies and this was the beginning of his reputation for believing in the importance of love.

Eventually Valentine was found out and jailed for his crimes against Claudius. While imprisoned, Valentine cared for his fellow prisoners and also his jailor's blind daughter. Legend has it that Valentine cured the girl's blindness and that his final act before being executed was to write her a love message signed 'from your Valentine'. Valentine was executed on 14 February in the year 270.

How did Valentine's Day develop?

It wasn't until more than 200 years later that 14 February was proclaimed St Valentine's Day. By this time Rome had become Christian and the Catholic Church was determined to stamp out any remaining paganism. A pagan fertility ritual was held in February each year and the Pope abolished this festival and proclaimed 14 February Saint Valentine's Day, thus establishing this feast day on the Catholic Calendar of Saints.

The poet Chaucer in the Middle Ages was the first to link St Valentine with romantic love. This was the beginning of the tradition of courtly love, a ritual of expressing love and admiration, usually in secret. This custom spread throughout Europe and stories grew about a High Court of Love where female judges would rule on issues related to love on 14 February each year. Historians believe that these meetings were in fact gatherings where people read love poetry and played games of flirtation.

Valentine's Day Symbols

The practice of sending love messages developed into people sending special cards expressing their affection. These cards were beautiful creations handmade by the sender and individually designed

to show how much they loved the recipient. Cards would usually contain sentimental verse, proclaiming the beauty of the receiver and how much they were loved.

Saint Valentine's Day cards were decorated with pictures of cupid, hearts and flowers and trimmed with lace and ribbon. These images are still used today to symbolise love and are recognised all over the world.

What is Valentine's Day in Contemporary Times?

While Valentine's Day is celebrated in most countries, different cultures have developed their own traditions for this festival. In some parts of the world Valentine's Day is observed as a day for expressing love between family members and friends, rather than that of romantic couples. Some traditions include leaving lollies and gifts for children and others include acts of appreciation between friends.

Valentine's Day is most commonly associated with romantic love, with millions of Valentine's Day cards being exchanged each year.

Gifts of flowers or a single red rose are sent with romantic messages to loved ones and couples spend special time together. Valentine's Day gift hampers are also a popular gift and typically include flowers, champagne and chocolates.

Many couples choose to celebrate Valentine's Day with dinner, a picnic or special home-cooked meal. Many restaurants offer **Valentine's Day dinner** promotions and food is often presented with symbols of love like hearts and flowers. Another popular Valentine's Day activity is to indulge in a luxury hotel stay in a beautiful location, allowing a couple to get away from it all and enjoy some quality time together. Marriage proposals are also popular on Valentine's Day, and it is often chosen as the perfect day to express their love and commitment. Some marriage proposals are delivered very creatively, such as after climbing to the top of a mountain, or posting a message on a billboard. Whatever the method, marriage proposals made on Valentine's Day are generally romantic and memorable.

Spoil your loved one at work or home with a Roses Only Valentine's Day romantic arrangement of flowers or a gourmet gift hamper.

A Valentine's Day gift hamper is the ultimate gift, with flowers, champagne and chocolates to delight your love.

Launceston 2016 AGM Event

29th February - 6th March

February Update

Dear Ulysses Club Member

Hi everyone and welcome to another of the 2016 AGM Event enewsletters, we hope you are looking forward to the event in Launceston – we are!

What an exciting time in the lead up to the AGM Event starting on 29th February in Launceston. Plans are finalised and the event site will be starting to build. Thanks in advance to all our wonderful volunteers who will be on site in the lead up to the event, to help with the infrastructure and amenities.

Many members come to the event with the express purpose of taking bikes for a test ride. We have these manufacturers confirmed at this stage:

A) COMMITTED

BRP Can-Am Spider; Suzuki; BMW; Harley Davidson; Kawasaki; Braaap; Victory Indian; MV Augusta; Royal Enfield Triumph

Attached to this email is the **RED FACES** flyer - we are seeking those who fancy themselves as entertainers - get a group together and "perform" in the Red Faces competition - the prizes are well worth the effort! And you'll have loads of fun - so will the audience.

We'd like to remind all the AGM attendees that they need to bring their **Membership card** to the AGM in Launceston. This card will also be used at the Registration Check In instead of an **AGM registration card**. The AGM starts promptly at 1.00p.m. so please allow time to have your financial member stats checked prior to entering the hall.

We have a lot of members heading to Tassie for the AGM soon, if you are driving a car to the AGM and wanting to use the campsite please be aware, it's a no car zone. Only campers travelling with cars are allowed to bring their cars in to the campground.

There will be a shuttle service carrying camping gear from the car park to the main site. We do understand that some members of the club do need cars as time goes by and we are happy to accommodate and work with their request if they contact us prior to event. During Set up week and bump out days it will become a little easier to manage. As in the example of 2015 AGM, cars were allowed to come back in to pick up their gear as the majority of bikes had left the site.

In Launceston there is a designated car parking area in the RV section which is located right next to the general camping area. Once again, it is only for campers, camping in the campground.

Therefore it was decided that we would have a designated area with signage and volunteers would direct cars to that area, there will be a plan in place, but in the long run and from an OHS point of view it is much easier and lessens the risks.

To register online for the 2016 AGM Event, here is the link to the **Registration portal**.

If you don't have a username and password for the website, please contact Jen Woods at webmaster@ulysses.org.au and include your member number please.

So if you have submitted a Volunteer Enrollment Form, and have **NOT** received a reply within 3 weeks of doing that, could you please contact Peter (Volunteer Coordinator) either by mobile or email below.

Peter Carne 0409 567 302 Email; 2016agmeventvolunteers@gmail.com

Please refer to the [2016 AGM Event website](#) for more FAQs and information. If there is information you are looking for and can't find, please send an email to the webmaster at webmaster@ulysses.org.au.

February 2016

Dear Members

Many of us are in the final stages of preparing for the trip to Launceston for the AGM Event, but of course, the usual "business" of the club continues, so here are some announcements and articles for your interest and information.

We'd like to remind all the AGM attendees that they need to bring their **Membership card** to the AGM in Launceston. This card will also be used at the **Registration Check In** instead of the usual AGM registration card.

The AGM starts promptly at 1.00p.m. so please allow time to have your financial member stats checked prior to entering the hall.

Position Vacant: We are looking for a new Editor for our Riding On journal. This voluntary role involves working as part of a team to seek suitable high quality interesting and relevant articles for inclusion in the quarterly Riding On. If you are interested in learning more about the role, please contact National Treasurer Mike Abberfield at treasurer@ulysses.org.au for

more information, before COB 17th February 2016.

The Minutes of the National Committee meeting held on 28 November are now [available on](#) the website. Members will need to login to download them.

This article recently appeared in the **Mildura Branch newsletter** and is titled "**What's in a Name?**" We thought it worth repeating here. Thanks to Leanne and Stephen Hegedus for providing the comments.

"On December 6 1983 through the ambition of Stephen Dearnley with suggestions from a few others the Ulysses Club was born at the inaugural meeting where five founding members approved a basic constitution and duly formed the Club.

Since then it has been a constant battle to have our name recorded correctly in all forms of media.

This is a problem all over the country and it is up to us locally to ensure that our name, Ulysses Club, is correctly broadcast to the public.

During the 2012 AGM Event here in Mildura it was a constant struggle to ensure that the media referred to us as Ulysses Club, and that the local group was the Ulysses Club Mildura Branch.

This is still the case today with the local paper referring to us as the 'Ulysses Mildura Motorbike Club'.

Our correct designation is 'Ulysses Club Mildura Branch', and never a motorcycle club. We are a 'social club for older motorcyclists' and that is what sets us apart from other clubs that have different agendas in life to what we have.

Call me anal, call me whatever you like, but our name is something to be proud of, and as members we should make sure that we are referred to in the correct manner."

The **7th International Gathering** will be hosted by the Ulysses Club Switzerland from September 9 -12, 2016 Hotel zur Post Grischalodge, in Parpan, Switzerland.

Parpan is situated at an altitude of 1500 m in the Lenzerheide region in the eastern part of Switzerland. Ideal to start amazing rides over the Julierpass, Albula or Flüelapass into the St. Moritz area and potentially to ride on down to Tirano in Italy; or across the Ofenpass towards Vinschgau, to head to the absolute highlight for any motor-biker, the Stilfserjoch (Passo dello Stelvio).

Optional program

For interested Ulyssians we can plan 2-3 additional tours from Monday – Wednesday (14.9.2016), these could lead us to the more western Swiss Alps (Ticino, Oberland Bernese, Wallis, Fribourg Alps) and can be integrated into your homeward journeys

The rides and further info will also be made available on our homepage www.ulysses-club.ch.
