KELLY BUCHANAN, TOURNAMENT COORDINATOR
COACHKKING@YAHOO.COM 240-350-5795

Dear PVA AU Boys Basketball Coaches and players,

The 2015 Championship Tournament season has again proven that the Potomac Valley District has superior Coaches, Teams and Players. This year we had 17 teams medal during the AAU National Championships and 15 players listed on the Top Prospect List. This represents an outstanding effort and I would like to commend each player, team and Organization on their performance.

The 2016 season will see significant changes in how AAU will conduct events and review documentation. While the AAU moved to an Age Based system last year, we will provide both Grade based and Age based Tournaments in an effort to accommodate all segments of our membership.

The Potomac Valley District will provide additional Tournaments and programs that should allow our membership to gain an edge on the National competition. The District website has been updated and we can be the primary source for Tournament information. www.pvaau.org . You may contact Melody Britt or Kelly Buchanan at the email addresses or phone numbers above.

For Washington D C residence, Original Birth Certificates and School report cards will be required because the District of Columbia doesn't provide ID's for youth. The qualification for a seat on the PVA AU boys Basketball Committee is that any PVA AU Organization that places 5 or more teams in the 2016 event can become a member of the committee.

The Potomac Valley District will host the New AAU TBL. This league will provide a unique tournament experience. This is our year to show how good our players are on the National level. I look forward to this year's events and pledge to everyone that the PVA AU Boys Basketball Committee will do everything in its power to do it's best to showcase our membership.

Please see the list of 2015 Championship teams and the PVAAU Districts 12, 13 and 14u Top Prospects.

If any team's performance has been omitted, please let me know. For the teams on the list, please send pictures and video's to my attention to be entered on the website.
