

About:

Shining Stars Preschool is a ten-month preschool program. Our mission is for every child to have the opportunity to learn in a safe and nurturing environment where they are provided daily experiences to learn through exploration and hands-on activities. Dorene Payne is a Texas State certified teacher with a certification in Early Childhood – 4th grade. Dorene has 4 years experience teaching kindergarten for Northwest ISD and began her private preschool in 2011. She has been working with preschoolers since.

She has seen what skills the most successful children come into kindergarten with. She is fully prepared to ensure that your child is kindergarten ready by teaching with an age-appropriate thematic based curriculum.

Students can be signed up to attend five times a week (Monday – Friday) or can choose between a 2, 3 or 4 day a week class. All classes will begin at 9:00 am and end at 2:00 pm.
