

# [Balance]

## Multi Mineral, Vitamin, and Antioxidant

Nutrient Absorption

Overall Wellness

Immunity Boost

## Replenish

[Balance] provides head-to-toe support with a comprehensive blend of vitamins, minerals, and antioxidants that help lift energy levels, boost immunity, and keep your body's systems working in harmony.\*

### [Balance]'s Breakdown:

- [Balance] contains vitamin C, derived from Acerola cherries. Natural Vitamin C gives you the best form for absorption over vitamin C found in store brands.\*
- [Balance] also contains a blend of foods to boost phytonutrient intake, which is a beneficial substance to human health and disease prevention.\*
- In addition, [Balance] has a blend of nutrients (Green Tea leaf, Cocoa bean, Guggul gum resin, and Yerba Mate leaf) to boost your metabolism.\*
- The final touch to [Balance] is a blend of vegetarian enzymes to support digestion of the food components found within the vitamin. Enzymes help you digest food easily and reduce bloating.\*

## Science Makes The Difference

Chelated Mineral

Bound by proteins that mimic food for greater absorption.

Vs.

Non-Chelated Mineral

Raw mineral, more difficult for the body to recognize and absorb.

\*Diagram for illustration purposes only.

### [Balance]'s Benefits:

- **Daily nutrition to support general wellness\***
- **Source of minerals, as amino acid chelates\***
- **Antioxidant support (SOD)\***
- **Added nutrition to support the body's balanced response to stress\***

Each [Balance] mineral ingredient is formulated with special organic mineral elements known as mineral amino acid chelates (pronounced key-late-s).

In simple terms: Your body is designed to digest food and absorb the minerals in that food. But your body has a hard time absorbing minerals that aren't in food. This is why many multi-vitamins and minerals from off the shelf don't work: your body doesn't love raw minerals that aren't found in food. Tranont's minerals are coated with an organic layer that mimics food which makes your body happy!\*

**Chelates give the body the ultimate chance to absorb each mineral for the best results.\***

Supplement Facts		
Serving Size	3 Capsules	
Servings Per Container	30	
	Amount per Serving	%DV
Vitamin A (as beta carotene from <i>Blechnum sparganium</i> )	1500 mcg RAE	167%
Vitamin C (from acerola cherry)	60 mg	67%
Vitamin E (as tocopherols from annatto)	20 mg	133%
Calcium (from lithothamnion sp., marine algae)	130 mg	10%
Iodine (from kelp)	75 mcg	50%
Magnesium (as magnesium bisglycinate chelate (magnesium and l-threonine amino acid))	51 mg	12%
Zinc (as zinc bisglycinate chelate (magnesium))	8 mg	73%
Selenium (as selenium glycinate complex)	35 mcg	64%
Copper (as copper bisglycinate chelate (magnesium))	1 mg	11%
Manganese (as manganese bisglycinate chelate (magnesium))	1 mg	43%
Chromium (as chromium nicotinate glycinate chelate (magnesium))	60 mcg	171%
Molybdenum (as molybdenum glycinate chelate (magnesium))	37.5 mcg	83%
Potassium (as potassium glycinate complex)	5 mg	<1%
MICROBIOME FOOD BLEND	340 mg	
Adaptogenic root extract, cordyceps root extract, shiitake mushroom powder, goji berry fruit powder, camu-camu fruit powder, wild yam root extract, rose fruit powder, acai berry extract, amla powder, sunflower oil powder.		
CELLULAR HEALTH BLEND	200 mg	
Resveratrol complex (from Japanese knotweed), grape seed extract, green tea extract, pomegranate powder, olive leaf extract, broomrape powder, lobelia (from mangrove flower), zosanthin (from mangrove flower).		
PROPRIETARY ENZYME BLEND	30 mg	
Maltase, amylase, pepsin, lipase, trypsin, pancreatin, bromelain, serrapeptidase, lactase, lipase, chitinase, protease II, diastase.		
Boron (as boron glycinate)	750 mcg	
Vanadium (as vanadium nicotinate glycinate chelate (magnesium))	6 mcg	

\*Daily Value not established.

**Other Ingredients:** Vegetable cellulose (capsule), organic rice flour, rice hull concentrate, gum fiber blend, rice extract blend.

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Chelated Mineral science as found in: Ashmead, H. Dewayne. "Comparative Intestinal Absorption and Subsequent Metabolism of Metal Amino Acid Chelates and Inorganic Metal Salts." Biological Trace Element Research ACS Symposium Series 445 (1991): 306-19. doi:10.1021/bk-1991-0445.ch024.
