Christian Introduction

Instructions: Christian Introduction

This study is designed for those who have a sincere desire to know the Lord Jesus Christ in a deeper way and for those who desire to become more acquainted with the word of God. Jesus said, "The words that I speak unto you, they are spirit, and they are life." We pray that as you study His Word, it will be life to you and meet your every need.

If you desire credit for this study course, you will need to do the following: 1) Answer all the questions below and complete the included scripture memorizations. 2) Write a brief paper concerning your spiritual journey. Include your testimony, where you are currently in regards to your relationship with Jesus, and where you would like your life to be in several years. The length of the paper is not important, rather be clear in your communication. Use the font New Times Roman and size of 12 point as well as double space for all lines. 3) A final study guide and quiz will be given to you following the completion of the questions and spiritual journey paper.

Upon completion, you will need to mail or e-mail all work to the school for grading. If you mail in your work, you will need to include a self-addressed, postage paid envelope for the return of your graded work. Work received without a return envelope **will not be returned**. Following grading, you will receive a final study sheet and instructions for the final quiz for the course.
