

- Color #1 - green
 2 - purple
 3 - purple
 4 - sky blue
 5 - gold
 6 - sky blue

CONSTRUCTION

Using the template method trace the pattern onto template plastic, then cut apart. Draw around each piece on the appropriate fabric. Add seam allowances. Sew together either by hand or machine.

Embroider names, or use a permanent marker.

Finish with your choice of batting, backing and binding.

If you are familiar with paper piecing this technique works well with this design. Sew in numerical order. Applique #5 to #6 before sewing #6 to #3.
