TREASURER'S REPORT

By Tammy Coghill

The 2014-15 school year is in full swing and your PTA has been staying busy since day 1. We are very excited about our Fall Fundraising plans and look forward to sharing all of the results of those in our next newsletter.

As of our September Executive Meeting, total YTD expenses are \$2,907.87 while total YTD income is \$4,244.50. The expenses include \$674.56 in

various supplies to prepare for our Fall Fundraisers, \$729.77 in Classroom Enrichment to the teachers, \$250 annual fee for our Safe Routes Scan & Notify program, \$114.51 for our Mugs & Muffins event, \$565.01 for our Staff Membership luncheon and \$568.02 in Communications/Copies cost. Our YTD income includes various Easy Money programs and membership dues. Easy Money is already proving to be a great source of income for

our PTA again this year! For example, we've collected \$944.20 for Raley's Extra Credit so far and our Target Take Charge of Education income was 50% higher this year compared to last year, bringing in a total of \$1,204.16 to our bottom line. Just another reminder of how important it is to link your Raley's/ Bel Air card and your Target Red Card to Coyote Ridge Elementary. It's free money for our kids and the great programs your PTA provides for them!!

Come join your fellow classmates on October 3, 2014, for a family fun time! Lots of cool prizes. FREE to join, please bring a snack to share with everybody. Held in the Coyote Ridge multipurpose room, doors open at 5:30 p.m. and bingo ends at 8:30 p.m. For more information contact Christine Bjerkhoel or Susan Massa at tinibop71@gmail.com.

Trunk or Treat

Trunk or Treat will begin immediately following the Harvest Festival on October 17th from 7:30-8:30 pm. Trunk or Treat provides a safe environment for our families to enjoy trick-or-treating. The kids will trick-or-treat in the parking lot, going from car trunk to car trunk on "Trunk or Treat Street" to get their bag filled with goodies. We NEED families, individuals, or groups to sign-up to host and decorate a trunk. We also NEED candy donations to be distributed to the kids during the event. If you are interested in hosting a trunk or donating candy, please contact Shelby Hoyt at shelbita@hotmail.com.

INTERNATIONAL WALK OR BIKE TO SCHOOL DAY

Thank you so much to all the families that participated in the Box Tops contest! **We collected 10,233 Box Tops for our school.** Those Box Tops translate into actual money for Coyote Ridge. Congratulations to Mrs. Giannini and Ms. Lever's classes for collecting the most Box Tops.

You can collect Box Tops year round and submit them to your child's teacher. You can send them in a baggie or print one of the collection forms from www.boxtops4education.com. You can also sign up at their website to print coupons and enter additional sweepstakes to earn Box Tops for Coyote Ridge! The next contest to see which classes can collect the most Box Tops will be October 15th so get clipping today!

Coyote Ridge will be participating in International Walk to School Day on Wednesday, October 8, 2014. Funding from the Coyote Ridge PTA Safe Routes Program will allow students, teachers and parents to join together with other schools around the world to walk (or bike) to school! Special activities associated with the walk include a welcome rally and prize giveaways. Walk to School Day promotes a healthy lifestyle, reduces traffic around our school, and allows children to make new friends and become more familiar with their neighborhood.

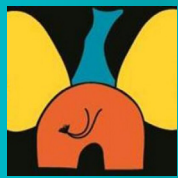

We are currently recruiting for:

- Parent Route Leaders to walk along colored routes the morning of

International Walk or Bike to School Day on October 8, 2014.

- Celebration Team - prepare for the student celebration that morning and be at school when students arrive to guide students and hand out nutritious snacks.
- We will continue our MONDAY Move-It! Club to support walking and biking to school. We are looking for parents to help scan kids on Monday mornings at two locations -- the bike rack and the side gate -- from 8:15 am - 8:30 a.m. Your assistance and support is crucial to make this club a success!

If interested, please contact Shelly Parker, Coyote Ridge Safe Routes Chair, at clintandshelly@msn.com.

We have a new addition to the Easy Money family! It's the **Save Mart S.H.A.R.E.S.** card. This is positively the simplest rewards card yet! There is no registration involved - all you do is swipe the card when you shop at Save Mart or FoodMaxx stores and Coyote Ridge automatically receives a percentage of your purchases! The

S.H.A.R.E.S. cards are available for pick-up in the school's front office or feel free to email me and I will put one in the mail to your student's classroom.

Don't forget to familiarize yourself with all of the aspects of Easy Money - eScrip (Safeway, Amazon and much more!), Raley's/Bel Air Something Extra, Shoparoo, and Pediped. Please feel free to contact me with any questions about the Easy Money programs at daxsmama@hotmail.com and thank you so much for your support! Easy Money is a HUGE contributor to the school and all of your effort counts!

Students can bring in up to five books suitable for 1st to 6th grade readers for the October Book Exchange. We are still in need of books for the higher reading levels. Students in grades first through fifth are eligible to participate. It will take place during lunch in the VAPA (Visual & Performing Arts) Room. Please have your child bring their books to trade to school on that day. Teachers will hand out tickets for the exchange.

We are also in need of volunteers for this program. Please contact Sherry Riley at crsherbear@hotmail.com with donations or to volunteer.

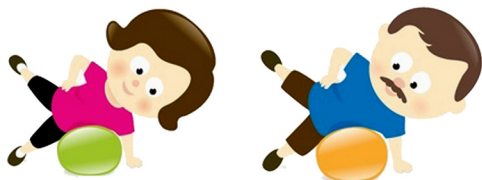

Note: There will not be a book exchange in November or December.

(Inline skates are an additional cost)

OCTOBER IS ANTI-BULLYING MONTH. Did you know that it is common for a food allergic kid to be bullied about his food allergy?

In a study published in 2013, almost 1/3 of the food allergic children surveyed had been bullied specifically for having a food allergy. Some being threatened with the very food that could lead to their death. Aside from the fear experienced by these food allergic children, the study reported that the anxiety also experienced led to a decrease in their quality of life. If you have not done so already, take a moment to educate yourself and your own children about the dangers of living with a deadly food allergy and the importance of demonstrating tolerance towards others. Great topic to explore during dinner one evening!
