

# COSTUME, HAIR AND MAKE-UP PACKET

## The Wizard of Oz 2014

### Recital Packing List:

- Portable Clothes Rack** to organize costumes for quick changes and multiple dances!
- Extra Tights**  
Bring an extra pair of tights in each color you need for the recital. Runs in tights are visible on stage.
- Bandages**  
For unexpected blisters. Make sure you have the clear variety, as colored ones will be visible through light-colored tights.
- Hangers**  
Bring a hanger for every costume you have and hang them up as soon as you have a chance to avoid wrinkles. Oh, and don't forget to bring the costumes.
- Safety Pins**
- Baby Wipes/Make-up wipes**  
For quick clean-ups or make-up fixes.
- Snacks**  
Pack a few nutritious snacks for hungry dancers. Good choices include granola bars, grapes and small crackers and water.
- Pain Reliever**  
Bring a pain reliever for your child (and one for you, too.) Unexpected muscle aches and headaches can spoil a special recital.
- Clear Nail Polish**  
Clear nail polish can save a run in tights from getting out of hand. Apply a small amount to the run or snag as soon as it appears. (Better yet, bring that extra pair of tights.)
- Make-Up**  
You will want to retouch make-up immediately before going on stage.
- Hair Spray, Bobby Pins, Elastics, Comb and Brush**
- Mirror or Portable Vanity**
- Costumes and all accessories**
- All Dance Shoes**
- Pack a lunch**
- Extra activities for your kids to do during the break!**

ABSOLUTELY NO JEWELRY OR NAIL POLISH PERMITTED ON STAGE UNLESS PART OF COSTUME

\*Be sure to remove jewelry at home so you do not lose it\*

### **SCENE 1 COUNTRY FAIR**

#### **Introduction "Country Fair"**

**DIY COSTUME:** All dancers are to wear gray, white, nude, beige or off white colors. The costumes should look old time and country. Envision the beginning of Oz the Great and Powerful when it is in black and white and they are at a fair but now Dorothy is present in this scene. Dorothy should be in a gray and white dress that looks similar to her colored Dorothy dress. Overalls, cowboy hats, plaid dresses, lace dresses are all great for our country scene. Just remember no color!! It is suppose to be black and white. When putting your costume together think about which Country Fair Character you are playing. Are you a kid at the fair? Are you part of the country band? Are you vendor? All of this can help you decide on your costume selection.

**Shoes:** Anything goes as long as it goes with your country style costume. Cowboy Boots, work boots and/or combat boots are great for a farmer look.
