

La lykken gro.....

www.roland-designs.com

This pattern features a fun, typical Norwegian little saying.

'La lykken gro som gresset bak do!'

For the non-Norwegian speakers, the saying directly translates as:

' Let happiness grow as grass behind the loo'

Here it makes reference to the outdoor latrines most Norwegians still use when they go up to their cabin for holidays, skiing, and to enjoy the beautiful nature.

It is a present from the Made In Norway ETSY team and we hope you will enjoy stitching it for yourself, or as an original present for friend who still has an *'utedo'* at his cabin.
