

Dear Community Member:

Impact is a college and career readiness organization. For the past seven years we have assisted over 15,000 Chicago area students in their preparation for and connection with colleges and careers. Impact services benefit families from all walks of life especially those facing adverse conditions. With your help, we will continue to grow and make a difference in the lives of youth. Information on our programs are listed below:

College & Career Readiness Summit Tour

We partner with local school districts to come into high schools and speak to the entire junior-level class. The C&C tour takes place in multiple high schools during the academic school day. During the free event we cover the college selection, admission and financial aid process. Along with information for students who want to go directly into a career. We focus on careers that offer benefits and upward mobility. Local and out-of-state colleges attend the event to engage Chicago area students.

Community-based Scholarships

The scholarships are announced in the high school during the event for juniors. The following year, one senior-level student is awarded a scholarship in front of the new junior class and the cycle repeats itself. We offer three scholarship opportunities (see below). The funding for scholarships come directly from businesses or individuals in the community. The scholarship program is a safe and reliable way to help students as 100% of the funds received for scholarships are awarded to the student winners.

- Franklin Scholarship Tuition \$2000
- Sylinsky Scholarship Housing \$1000
- McCormick Scholarship Books \$500

We look forward to your support and participation. If you have any questions, please feel free to call our office at 844.498.4264 or visit our website at www.impactccrn.com. It is our privilege to continue to provide services and post-secondary preparation to Chicago-area students.

Yes. I would like to be involved.
