

SOLO/DUO/TRIO

Competing a solo, duo, or trio is a big commitment for students and parents, but can be a very rewarding and confidence building experience! There is a lot of time, dedication, and hard work involved. Students are expected to arrive early, warm-up, and be ready to dance before rehearsals start. Students are also expected to practice their choreography on their own each week so instructor does not need to use rehearsal hours to review. Solos, duos, and trios are in addition to regular company classes.

Once again we have had several requests for solos, duos, and trios. Our graduating seniors will get first priority. Students who are not graduating seniors must audition for a solo/duo/trio. There are 2 audition dates to choose from: Tuesday, July 19th @7:00pm OR Tuesday, July 26th, @7:00pm. Please arrive with 30-60 seconds of choreography prepared in the form of dance you wish to compete a solo/duo/trio in. Students requesting a duo or trio may audition as a duo or trio, or individually.

Below are the requirements:

***All students who wish to compete a solo, duo, or trio, MUST take at least 5 hours of group classes per week (in addition to solo/duo/trio). *Graduating seniors are the exception. They may perform a solo in *recital* without the 5 hours of group classes per week.**

*Students may compete in **only 1** solo, duo, or trio.

*Ballet Solos/Duos/Trios: Must compete in a ballet company class.

*Jazz/Musical Theatre Solos/Duos/Trios: Must compete in a ballet company, as well as a jazz and/or musical theatre company.
