Child's Enrollment Form

2023-2024

I would like to enroll my child _____ at Amesbury Montessori Preschool and Kindergarten for the academic year 2023-2024. My child will attend the following Montessori program indicated below.

Our program is composed of children ages 3 to 6 years. In this setting, the children naturally respect each other's work and individual accomplishments. They take an active role in maintaining their environment, which is divided into five main areas: Practical Life, Sensorial, Language, Mathematics, and Cultural. The Montessori curriculum is enriched with science, art, and music/movement experiences. The curriculum meets the children's fundamental need for independence, language, discovery through the senses, and investigation of the world around them.

If you would like to visit the school or discuss the program, please contact Stacie Grasso at 978-872-6784 or sgrasso@amesburymontessori.com.
