Dear Ms. Christine Brennan:

I received two care packages from your organization today and was very pleased they came. All of the items were given to my Soldiers who were excited and happy to see the treats and health care items.

It is wonderful to know that we have outstanding people in the United States like you who support our Soldiers overseas during this time of war. The items sent will be well used and are needed.

Again, THANK YOU and the members of your organization for your support of our Soldiers!!

Sincerely
Paul S. Dziegielewski
