

# General PTO Meeting June 6, 2023

## Fundraising for the playground:

Last school year the playground started with a quote, it changed to \$225k  
A concrete track was created around the perimeter of field, 12 swings that cost \$70 k last year

School needs other things

We held the Fall fundraiser and Spring fundraiser

Fire truck or ambulance can't get down to playground issue

PTO is purchasing a \$10k Golf cart to travel to pick up a child and bring back up

Purchasing golf cart Friday June 9th @8 am electric

PTO is Purchasing a Konex box with cameras and a lock

For equipment for the playground it is \$27k and \$27k for mulch so opting to purchase equipment that do not require mulch and siding.

Reaching out to the company to explore Accessibility equipment as well as other equipment in the budget for all students

Otions include but are not limited to: Drums/chimes as a sensory option

12-16 week turnaround from ordering

Awaiting to hear back from the company to supply a list of items within our budget that does not require mulch

PTO needs to spend and clear bank by June 30th per the IRS

## PTO storage

PTO is not going to have their storage space next school year.

One option is at the bottom of the grade 3 wing storage space

## PTO Needs

We have approx.1060 students

We have 160 pto members from the school

We had 4 dates for duty free lunches (30 mins)

This upcoming PBIS event has 25 openings

We need Volunteers

## Parent Suggestions:

\*Quarterly in person Pto meetings face to face every quarter

\*Make announcements for volunteer needs via classroom teachers, at performances, Curriculum night, Open house etc. Email, Social media, Newsletters, Website, Remind, QR codes many in which are already implemented

\*Grants to look into:

Home Depot and Walmart has grants

\*Room parents

Communications of background check process

Only approvals flow back to the school

\*A room with computers to do background checks at open house when signing up to volunteer
