Sizes and specifications are subject to change without notice. Actual usable space may vary from any stated floor area. All dimensions are approximate and are subject to normal construction variances. Measurements of rooms set forth on any floor plan may be taken at the widest points of each given room (as if the room were a perfect rectangle), without regard for any cutouts or cabinetry. Floor measurements were calculated on the middle floor of typical floor plates. Balconies may be different on varying levels. Vertical elevation band at balcony edges occur at various locations and may affect views. For approximate locations please refer to scale model and building elevations. Furniture and accessories are not included and are shown only as display. Areas marked "A" and bounded by dotted lines are dropped ceiling areas required to accommodate building design. Additional ceiling areas will be dropped to accommodate bulkheads or for any other reason required by the vendor. E.&O.E.
