BIO SECURITY

To comply with the terms of the **General Licence** that this exhibition is held.

The following conditions must be complied with:-

All exhibition bird sales / exchanges must be recorded, this must include the name and address and phone number of both the seller and the buyer, also any identifying features or individual identification (rings) of the purchased birds(s).

All exhibitors / entrants must disinfect the show cages, crates or box before the event and be advised that they should be cleansed and disinfected on return to the home premises and before they are used to hold any other bird.

Buyers must isolate the purchased bird(s) from all other birds (except those purchased at the same event) for at least one week.

Any signs of ill health observed in the purchased bird(s) during this period of isolation must be reported to a Veterinary surgeon and such birds must not be mixed with any other birds until the presence of an avian notifiable disease has been ruled out..

All litter and manure within the cages, crates or boxes must be contained until disposal.

Any spillages outside the cages to be cleansed and disinfected immediately.

All litter and manure must be disposed of in a manner, which does not present a risk of spread of the disease, e.g. in sealed bags for normal refuse collection in such a manner that other birds do not have direct access to it.

NO SALE OR EXCHANGE OF BIRDS IS PERMITTED IN THE CAR PARKS OF THIS VENUE. Vets on Call :- **Church House Veterinary Clinic,**
