DIVISION 1

WILLY'S PUB & BREWERY V ARGYLE ESTATE AGENTS

Slow start to the first quarter with it being back and forth, but soon picked up when Willy's Rachael Jones (GA) made some great long balls to Lucy Clark (GS) for them to go score.

Argyle Responded!!

Nippy Hayley Jennings (GA) made many connections from centre to shooter creating some super netball play. Second quarter picked up dramatically Willy's stormed ahead making some great goals seconds from centre passes. Argyle's Sophie Mason (GS) also making some cracking goals with her crazy one handed shots. Willy's leading 24 - 12

Half way and Willys have soon took control creating some great space...

Willy's utilising the very edge of the court making some really smooth play from Laura Manners (WA), Julie Steel (C) and Carol Newby (WD). Defending hard, Annis Lavric (GK) and Emma Appleby (GD) not making it easy for Argyle AT ALL.

Last push now...

"The Cherrell sisters" Georgia (C) and Katy (WA) for Argyle, made an effort all game, getting back to defend and getting space when attacking, never stopped marking ... superb work!

Lastly Argyle, even being a player down Lisa Pickard (GD) and Sonia Hart (GK) still gave everything to make those interceptions and rebounds.

Umpiring was very accurate, very fair with the decisions made! Fantastic efforts from Gwyneth Little and Vicki Langton.

Good game, well done both teams and to both umpires

Willy's were victors at the final whistle 51-25

Some might say Willys won on that day but it might have been down to their super sub/cheerleader Lou Fisher. Who knows... 😊

20TH & 21ST SEPTEMBER 2021

DIVISION 2

MARROWBONE & CLEAVER V KAZ'S CRUSADERS

First game of the season after a long COVID-19 enforced break to our loved sport. There were nerves and excitement to get on court.

Marrowbone & Cleaver came out strong with Katie Augusta (C), Vicki Jones (WA) and Kate Pearce (WD) connecting well in central court. They switched from defensive play, making fantastic interceptions, to driving forward towards their attacking goal.

Kaz Crusaders attacked the game well with some fantastic goals, however Lucy Tomlinson (GD) and Shelly Chapman (GK) worked superbly together in defence. The tight defence were able to retrieve rebounds, feeding the ball back down the court linking seamlessly with the central players.

Despite Kaz Crusaders strong defensive play, Emily Hall (GA) and Adrienne Grimley (GS) worked fluently together producing some outstanding goals.

Marrowbone & Cleaver's players worked together as a team, creating space and movement across the court.

The well fought game saw Marrowbone & Cleaver take the win. The final result Marrowbone & Cleaver 67 - 20 (23/4, 39/9, 51/14, 67/20)

DIVISION 3

G-FIT PERSONAL TRAINING V FUSSEY ENGINEERING

First game of the season as a new team, and a player down, but managed to keep our heads together and win 27-25.

Though there was plenty of footwork, a few replays, and some crazy passes we thoroughly enjoyed it. Without mistakes we cannot learn and we are excited to come back stronger each week.

Playing a great team (Fussey Engineering), it was such a positive and friendly game with some great shots by Tracey Glover (GS) and Janet Aina (GA)

Couldn't have had started the league a better way.
