### How it Works

You are assigned a specific seller number to identify your items. You price your items using the appropriate color tag. You receive 85% of the purchase price; the other 15% goes to running the resale but most importantly to help minister to other families. We inspect each item and if it does not meet our guidelines it will be returned to you after the sale along with any items not sold.

You may use the yellow donate tags if you would like us to give the unsold items to charity instead of picking them up.

**All items need to be put in cardboard boxes or seller bag; totes will not be returned.**
