

SURE GRIP BENDABLE CUTLERY

- Made with stainless steel, the flexible ribbing on each built-up handle helps improve grip strength during use
- Perfect for those with poor grip strength, tremors, poor hand control, or requiring extra stability while eating
- Offering a variety of grip positions, bend the utensils to the left or the right to achieve a position that requires minimal effort
- The latex-free rubber construction is dishwasher-safe for convenient cleaning and durably built to last
- Sold individually, the eating utensils measure 101.6mm (4") long with a built-up handle that measures 38.1mm (1-1/2") wide
- Dishwasher safe up to 52°C.
