Both email and a phone number are required. All information is **completely confidential**, and we will only contact you with matters concerning your CSA, never solicitation!

Read and initial each paragraph to agree to the terms.

____ Yes, I want to become a member of the Farm Family by purchasing a CSA share. I agree to pay the amount specified, **I agree to pick up my basket in a timely manner** (no early birds).

____ I understand that while the Meier Family Organic Farm will do its best to fill my basket generously each week for **14*** weeks, farming is at the mercy of the weather and seasonal changes. **I am aware and accept, that I am buying a 'share' of the crop. This means there may be weeks with less variety or volume, especially in the beginning of the season or in the event of difficult weather conditions.**

Certain crops may fail or yield very little, in which instance there may be only a small amount or none of any specific vegetable. Baskets are filled with equal volume, however exact amounts may vary at our discretion (3 beats vs 4, depending on size etc).

____ I understand that if I **choose** not to receive a specific item, the Farm will **try** to replace the item, but this will depend on availability, and **it may not be replaced**. I understand that the start date may be delayed if weather conditions are not favorable, and that the CSA will run for 14 weeks thereafter.

____ I agree that if I am unable to pick up my basket, I will inform the farm or make arrangements for it **to be picked up by someone else, or I will forfeit** my basket for that week. In the event that I forget my basket, I understand it will remain in the farm stand for the end of that day only.

____ I have read all of the above and will not complain about it later, causing undue stress to my CSA farmer.
