Farewell, for now, and  
thank you!!

You know this face! You've heard her invocations and meditations. You probably remember her in-person presence in and service to our community -- when we were still doing that.

This is **Kelly Kapsar**, one of our beloved licensed Practitioners. Kelly has decided to transfer her affiliation back to Las Vegas where she began.

Kelly, please know how grateful we are to have had you among us over the last several years. Your generous spirit, connection, and service has inspired us more times than we can count. We send you much Love, Light and Blessings for this new chapter. Know you will be missed. We will see you around, for sure.

Connecting deeply with the Divine can feel like heavy work sometimes. Between meditation, prayer, contemplation and acting the part of a “serious spiritual person,” who has time to play? We can forget that Joy and Freedom are Divine qualities, too. Spirit is dancing around, in and through us all the time, calling us to celebrate it all – the serious and the silly. What if, at the end of the day, we are all just playing Twister with God?
