"Tradition -- Duty -- Rapport"

The Baltimore July Reunion draws closer and the excitement of seeing former shipmates is great. We will all have a fantastic time in one of the original Revenue Cutter Seaports. Bill Hoover indicates that the City of Baltimore anticipates from 200,000 to 400,000 visitors during the week of our Reunion.

Chuck Huyler has signed up former Chief Wireless Operator Edward Kincaide of WWI. Chief Kincaide served aboard the CGC ACUSHNET. Chuck has done a outstanding job with recruiting as have John Stamford and Jim Lambert. These guys, together with many of our members, have made possible the doubling of our membership since the 1988 Reno Reunion.

Herb Reith has helped so much with membership and mailing lists. Al Grantham and Marty Davis have spread the word in DESA and elsewhere.

Many issues will be brought before us in Baltimore. There will be an election of three important positions, President, Board Chairman and Secretary/Treasurer. Careful consideration must be given to these positions as we move into the 1990s and beyond.

I have asked the Secretary to prepare a list of members and distribute them prior to the Reunion. Hopefully this will help us recognize former shipmates, allow for pre Reunion correspondence and make our Baltimore Reunion even better.

If you haven't sent in your Baltimore Planner, please do so if you can make it to the Reunion, July 18-23. Certainly there are health problems, financial problems and family problems. Our family always comes first. We will be thinking of those members who can't attend and hopefully they will be wishing us good luck for the best ever Coast Guard Combat Veterans Reunion.

In the December VFW magazine General Richard Stillwell indicates that the Coast Guard will not be included in the Korean War Memorial. This is but another example of how the Coast Guard is slighted. We know who we are and what we have done. We are the best of the best.

See you in Baltimore.

SEMPER PARATUS

By Francis S. Van Boskerck, Captain, USCG

1. From Aztec Shore to Arctic Zone,
To Europe and Far East,
The Flag is carried by our ships
In times of war and peace;
And never have we struck it yet
In spite of foemen's might,
Who cheered our crews and cheered again
For showing how to fight.

CHORUS

We're Always ready for the call,
We place our trust in thee.
Through surf and storm and howling gale,
High shall our purpose be.
"Semper Paratus" is our guide
Our fame, our glory, too,
To fight to save or fight and die!
Aye! Coast Guard we are for you.

2. From North and South and East and West
The Coast Guard's in the fight.
Destroying subs and landing troops
The Axis feels our might.
For we're the first invaders
On every fighting field.
Afloat, ashore, on men and Spars
You'll find the Coast Guard shield.

CHORUS

We're always ready for the call,
We place our trust in thee.
Through howling gale and shot and shell
To win our victory.
Semper Paratus is our guide
Our pledge, our motto too,
We're "Always Ready" do or die!
Aye! Coast Guard We fight for you!!
