President's Message

Hello guild members,
I wanted to take a moment to thank the past board, committee chairs and anyone that volunteered. We are truly grateful for your time, knowledge and heart you gave to the guild last year.

I hope everyone had a wonderful time during the holidays and took time to refresh, relax and enjoy. Missy, Sue, Charlene and I have spent some time planning a year of going back to the basics. I know some of you maybe wondering what that means. We have gone back to what the bylaws state is our purpose (mission statement). We have so much talent in our own guild that we can truly learn from one another.

I can tell you that the board is so excited to serve the membership this year. We have some great plans. Our first guild meeting we will have a **Back to Basics** demo with handouts. I don't know about you but I truly do enjoy learning from others and what better way than going back to the basics. We look forward to seeing you all. Don't forget we have a sew day on Jan 16 where we will be putting the stockings together for elder cheer.

I wanted to end my letter with the purpose. The individuals that started the guild many years ago had the below in mind and we as a board are excited for the year to come.

The object of the organization is to promote, encourage and provide educational activities pertaining to the art of quilt making.

Thank you,

Kim Perkins

Quilt Guild News

CHILD ADVOCACY NEWS:

What an outstanding year for handcrafted quilts delivered to One Place Child Advocacy Center! The year 2022 totals were 280 quilts, 21 beautiful amigurumi dolls, and 44 children's masks. Jacqui introduced the requested fidget quilt for autistic children in December, and Glenda donated textured squares from the challenge request. All items that the guild makes are so well received by the staff who utilize our talents to help children cope and have hope in situations beyond their control.

Let's continue in 2023 with our 'Back to the Basics' mission to provide for our community in need.

Reminder: Sue Miller is point of contact for batting and label needs. Text or call at 910-389-0862. Sue is available for new members who need help getting started with Child Advocacy kits or help with finishing quilts.

What is a Fidget Quilt?

Fidget quilts are essentially a mini quilt that has several different moveable accessories that someone can enjoy.

For example, a fidget blanket can have zippers, buttons, snaps, ribbons, different types of fabrics, and other notions.

Upcoming Events

Elder Cheer Stockings

Our January sew day is Monday, January 16th, at Centerview Church. The doors will open at 9 am for an all-day extravaganza of making Christmas Stockings for Elder Cheer 2023.

Please mark your calendar so we can collectively work together to accomplish our requested community mission goal of 225 stockings. With everyone's help cutting, pinning, ironing and sewing, this task can be done in one day! Bring a lunch and come join in the fun.

Note: If you have any cut-out stockings or templates, please bring to Bret Sickmiller at the January Guild meeting so that she can have all supplies ready for assembly on our sew day.

It is time to renew your guild membership for 2023. Our membership dues for this year are \$20. Please pay your dues at our January or February meeting. If your dues are not paid by the end of February you will be removed from the roster and the private Facebook page.
