Sun Loving Native Perennials

1. Bear Grass (*Xerophyllum tenax*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Xerophyllum%20tenax>
2. Beach Strawberry (*Fragaria chiloensis*) Edible fruit.
https://www.wildflower.org/plants/result.php?id_plant=FRCH
3. Big Leaf Lupine (*Lupinus polyphyllus*) <https://northwestmeadowscapes.com/products/big-leaf-lupine-seed?variant=36025137612>
4. Blue-Eyed Grass (*Sisyrinchium idahoense*) <https://www.wnps.org/native-plant-directory/425:sisyrinchium-idahoense>
5. Broad-Leaf Shooting Star (*Dodecatheon hendersonii*)
<https://realgardensgrownatives.com/?p=2782>
6. Western Blue-Eyed Grass (*Sisyrinchium bellum*)
<https://www.pnwflowers.com/flower/sisyrinchium-bellum>
7. Cascade Penstemon, aka Coast Penstemon (*Penstemon serrulatus*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Penstemon%20serrulatus>
8. Delphinium trolliifolium <https://www.pnwflowers.com/flower/delphinium-trolliifolium>
9. Douglas Aster: formerly *Aster subspicatus*, now *Symphotrichum subspicatum*;
<http://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Symphotrichum%20subspicatum>
10. Douglas Iris: *Iris douglasiana*; [https://calscape.org/Iris-douglasiana-\(Douglas-Iris\)?srchcr=sc5af0d7cdc9039](https://calscape.org/Iris-douglasiana-(Douglas-Iris)?srchcr=sc5af0d7cdc9039)
11. Fireweed – (*Chamaenerion angustifolium*) (Medicinal, young leaves good in salad, perennial, bright lavender to pink flowers, helpful for diarrhea, inflammation)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Chamaenerion%20angustifolium>
12. Goldenrod (*Solidago canadensis*) (Antifungal, anti-inflammatory, expectorant, helps with stomach aches, pollinator plant, attracts beneficial insects): Superb for pollinators.
<https://www.pnwflowers.com/flower/solidago-canadensis>

13. Graceful Cinquefoil aka Slender Cinquefoil (*Potentilla gracilis*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Potentilla%20gracilis>
14. Gumweed (*Grindelia stricta*) (not *Grindelia integrifolia*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Grindelia%20stricta>
15. Henderson's Checkermallow: *Sidalcea hendersonii*:
<https://www.anniesannuals.com/plants/view/?id=2548>
16. Kinnikinnick: *Arctostaphylos uva-ursi*;
<http://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Arctostaphylos%20uva-ursi>
17. Menzie's Larkspur (*Delphinium menziesii*)
<https://www.pnwflowers.com/flower/delphinium-menziesii>
18. Miniature Western Iris. Aka Yellow -Eyed Grass (*Sisyrinchium californicum*)
[https://calscape.org/Sisyrinchium-californicum-\(Yellow-Eyed-Grass\)?srchcr=sc58109f3ac938b](https://calscape.org/Sisyrinchium-californicum-(Yellow-Eyed-Grass)?srchcr=sc58109f3ac938b)
19. Nodding Onion (*Allium cernuum*) http://www.nwplants.com/business/catalog/all_cer.html
20. Oregon Iris (*Iris tenax*);
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Iris%20tenax>
21. Oregon Stonecrop: *Sedum oreganum*;
<http://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Sedum%20oreganum> and <https://www.pnwflowers.com/flower/sedum-oreganum>
22. Pearly Everlasting (*Anaphalis margaritacea*)
<http://pnwplants.wsu.edu/PlantDisplay.aspx?PlantID=239>
23. Sea Thrift (*Armeria maritima*) <https://www.pnwflowers.com/flower/armeria-maritima>
24. Yarrow: *Achillea millefolium*;
<http://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Achillea%20millefolium> Beloved of butterflies and other pollinators
25. Yellow Monkey Flower (*Erythranthe guttata*, aka *Mimulus guttatus*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Erythranthe%20guttata>

Shade-Tolerant Native Perennials

1. Brewer's Mitrewort <https://www.pnwflowers.com/flower/mitella-breweri>
2. Bunchberry (*Cornus unalaschensis* and *Cornus canadensis*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Cornus%20unalaschensis>

3. Deer Fern (*Blechnum spicant*). <http://nativeplantspnw.com/deer-fern-blechnum-spicant/>
4. Fairy Bells, Smith's Fairy Bells (*Prosartes smithii*, aka *Disporum smithii*)
<https://www.greatplantpicks.org/plantlists/view/538>
5. False lily of the valley (*Maianthemum dilatatum*) (aka snakeberry, two-leaved Solomon's seal) – <https://www.pnwflowers.com/flower/maianthemum-dilatatum>
6. Foamflower, aka Three-Leaved Foamflower (*Tiarella trifoliata*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Tiarella%20trifoliata>
7. Fringe Cup (*Tellima grandiflora*) <https://en.wikipedia.org/wiki/Tellima>
8. Giant Chain Fern (*Woodwardia fimbriata*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Woodwardia%20fimbriata>
9. Goatsbeard (*Aruncus dioicus*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Aruncus%20dioicus>
10. Great False Solomon's Seal (*Maianthemum racemosum*)
https://en.wikipedia.org/wiki/Maianthemum_racemosum
11. Inside-out flower (*Vancouveria hexandra*)
<http://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Vancouveria%20hexandra>
12. Lady Fern (*Athyrium filix-femina*) https://en.wikipedia.org/wiki/Athyrium_filix-femina
13. Leafy Mitrewort (*Mitella caulescens*) <https://www.pnwflowers.com/flower/mitella-caulescens>
14. Maidenhair Fern (*Adiantum aleuticum*)
https://en.wikipedia.org/wiki/Adiantum_aleuticum
15. Miner's Lettuce (*Claytonia sibirica*) https://en.wikipedia.org/wiki/Claytonia_sibirica
16. Monkshood (*Aconitum columbianum*) <https://www.pnwflowers.com/flower/aconitum-columbianum>
17. Native Mint (*Mentha arvensis*) <https://www.pnwflowers.com/flower/mentha-arvensis>
18. Pacific Bleeding Heart (*Dicentra formosa*) (Pain relief medicinal)
https://en.wikipedia.org/wiki/Dicentra_formosa
19. Piggy-back Plant (*Tolmiea menziesii*). Can be grown as a house plant.
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Tolmiea%20menziesii>
20. Pink Fawn Lily (*Erythronium revolutum*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Erythronium%20revolutum>
21. Redwood Sorrel (*Oxalis oregana*) Both white and pink-flowered varieties
https://en.wikipedia.org/wiki/Oxalis_oregana
22. Self Heal (*Prunella vulgaris*) <https://www.pnwflowers.com/flower/prunella-vulgaris>

23. Skunk Cabbage (*Lysichiton americanus*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Lysichiton%20americanus>
24. Silverweed (*Argentina pacifica*) https://en.wikipedia.org/wiki/Argentina_pacifica
25. Small-Flowered Alumroot (*Heuchera micrantha*)
<https://www.pnwflowers.com/flower/heuchera-micrantha>
26. Starflower (*Lysimachia latifolia* , formerly *Trientalis borealis*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Lysimachia%20latifolia>
27. Sword Fern (*Polystichum munitum*)
https://en.wikipedia.org/wiki/Polystichum_munitum
28. Twinflower (*Linnaea borealis*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Linnaea%20borealis>
29. Vanilla Leaf (*Achlys triphylla*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Achlys%20triphylla>
30. Western Columbine (*Aquilegia Formosa*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Aquilegia%20formosa>
31. Western Trillium (*Trillium ovatum*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Trillium%20ovatum>
32. Wild ginger (*Asarum caudatum*) <https://www.pnwflowers.com/flower/asarum-caudatum>
33. Woodland Strawberry (*Fragaria vesca*) <https://www.pnwflowers.com/flower/fragaria-vesca>
34. Yellow Glacier Lily (*Erythronium grandiflorum*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Erythronium%20grandiflorum>
35. Yellow violet (*Viola glabella*) https://en.wikipedia.org/wiki/Viola_glabella

Native Shrubs

1. Bitter Cherry (*Prunus emarginata*) Shrub to small tree, forest openings and edges, important food for birds
<http://nativeplantspnw.com/bitter-cherry-prunus-emarginata/>
2. Black Twinberry (*Lonicera involucrata*). <http://nativeplantspnw.com/black-twinberry-lonicera-involucrata/>

3. California or Pacific Wax Myrtle (*Morella californica*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Morella%20californica>
4. Devil's Club (*Oplopanax horridus*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Oplopanax%20horridus>
5. Douglas Spiraea (*Spiraea douglasii*) aka Hardhack Spirea
<http://nativeplantspnw.com/douglas-spiraea-spiraea-douglasii/>
6. Evergreen Huckleberry (*Vaccinium ovatum*)
<http://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Vaccinium%20ovatum>
7. Highbush Cranberry (*Viburnum edule*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Viburnum%20edule>
8. Hooker's or Coastal Willow (*Salix hookeriana*)
<http://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Salix%20hookeriana>
9. Low Oregon Grape, aka Dull Oregon Grape (*Mahonia nervosa*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Mahonia%20nervosa>
10. Mock Orange (*Philadelphus lewisii*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Philadelphus%20lewisii>
11. Nootka Rose (*Rosa nutkana*) <http://nativeplantspnw.com/nootka-rose-rosa-nutkana/>
12. Ocean Spray (*Holodiscus discolor*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Holodiscus%20discolor>
13. Osoberry (*Oemleria cerasiformis*) <http://nativeplantspnw.com/indian-plum-oemleria-cerasiformis/>
14. Pacific Ninebark (*Physocarpus capitatus*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Physocarpus%20capitatus>
15. Pacific Rhododendron (*Rhododendron macrophyllum*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Rhododendron%20macrophyllum>
16. Red Elderberry (*Sambucus racemosa*) <https://www.pnwflowers.com/flower/sambucus-racemosa>

17. Red Flowering Currant (*Ribes sanguineum*)
<http://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Ribes%20sanguineum>
18. Red Huckleberry (*Vaccinium parvifolium*) <http://nativeplantspnw.com/red-huckleberry-vaccinium-parvifolium/>
19. Red Twig Dogwood (*Cornus stolonifera*, aka *Cornus sericea*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Cornus%20stolonifera>
20. Salmonberry (*Rubus spectabilis*) https://en.wikipedia.org/wiki/Rubus_spectabilis
21. Scouler's Willow (*Salix scouleriana*) <https://www.uwb.edu/wetland/plants/salix-scouleriana>
22. Serviceberry (*Amelanchier alnifolia*) sweet fruit, great for birds and pollinators.
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Amelanchier%20alnifolia>
23. Snowberry (*Symphoricarpos albus*) Moist to dry forest, shady to open slopes
<https://www.pnwflowers.com/flower/symphoricarpos-albus>
24. Western Spirea (*Spiraea douglasii*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Spiraea%20douglasii>
25. Tall Oregon Grape (*Mahonia aquifolium*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Mahonia%20aquifolium>
26. Thimbleberry (*Rubus parviflorus*) Fruit edible and tasty
https://en.wikipedia.org/wiki/Rubus_parviflorus
27. Vine Maple (*Acer circinatum*) https://en.wikipedia.org/wiki/Acer_circinatum
28. Yellow Twig Dogwood (a yellow-stemmed selection of *Cornus sericea*)
<https://www.thespruce.com/yellow-twig-dogwood-shrubs-2132735>

Native Vines

1. Orange Honeysuckle (*Lonicera ciliosa*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Lonicera%20ciliosa>

Native Trees

1. Bitter Cherry (*Prunus emarginata*) <http://nativeplantspnw.com/bitter-cherry-prunus-emarginata/>
2. Cascara (*Rhamnus purshiana*, aka *Cascara sagrada*) <http://nativeplantspnw.com/cascara-frangula-purshiana/>
3. Douglas Fir (*Pseudotsuga menziesii*) https://en.wikipedia.org/wiki/Douglas_fir

4. Douglas Hawthorn (*Crataegus douglasii*) <http://nativeplantspnw.com/black-hawthorns-crataegus-douglasii-c-suksdorfii/>
5. Douglas Maple (*Acer glabrum* var. *douglasii*). <http://nativeplantspnw.com/douglas-maple-acer-glabrum-var-douglasii/>
6. Garry Oak (*Quercus garryana*) Acorns eaten by wildlife
https://en.wikipedia.org/wiki/Quercus_garryana
7. Mountain Hemlock (*Tsuga mertensiana*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Tsuga%20mertensiana>
8. Paper Birch (*Betula papyrifera*). https://en.wikipedia.org/wiki/Betula_papyrifera
9. Red Alder (*Alnus rubra*) <http://nativeplantspnw.com/red-alder-alnus-rubra/>
And https://en.wikipedia.org/wiki/Alnus_rubra
10. Shore Pine (*Pinus contorta* var. *contorta*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Pinus%20contorta>
11. Western Crabapple, Pacific Crabapple (*Malus fusca*)
<https://biology.burke.washington.edu/herbarium/imagecollection/taxon.php?Taxon=Malus%20fusca>
12. Western Red Cedar (*Thuja plicata*) https://en.wikipedia.org/wiki/Thuja_plicata
