Chapters address topics such as personal and religious ethics, the most recent developments in moral theory, and feminist and multicultural ethical perspectives. Study questions and useful bibliographies further assist students delving deeper into philosophy. The book cuts through the confusion and delivers a clear and comprehensive selection of readings from classical and contemporary sources. Presented in a dynamic pro and con format, with detailed summaries of each argument, this comprehensive anthology allows you to watch the ethical debate unfold before your eyes.

A Companion Website for both students and instructors contains online summaries, test questions, PowerPoint slides, and essay questions for each author for instructors ; and online flashcards, quizzes, review questions, and web links for students. It uses literary works to enliven and make concrete the ethical theory or applied issues addressed. Literary works by Angelou, Camus, Hawthorne, Huxley, Ibsen, Le Guin, Melville, Orwell, Styron, Tolstoy, and many others lead students into such philosophical concepts and issues as relativism; utilitarianism; virtue ethics; the meaning of life; freedom and autonomy; sex, love, and marriage; animal rights; and terrorism.
