April 2021

What's New?

Parma Location

Our Parma location is now open. We have two staff there to provide care and do activities with our consumers. Andrea and Jim have experience working in this field. Prior to joining #TeamMedicore they worked for the Cuyahoga Board of Developmental Disabilities. Parma is open Tuesday- Friday unless we have outings or special events.

FAMOUS

Back in February, the Cuyahoga Board of Developmental Disabilities came and filmed our day program to promote us on their YouTube channel. Here is the link to the video:

We are open at both locations for tours! Call 887-706-4407 to schedule. Please like us on Facebook @ <https://www.facebook.com/medicoretac>

In addition to doing the video for the county, we were also asked to be featured in the Jacobs Ladder Special Needs Fitness video which they will be presenting to the organization SOAR. We look forward to working with the community more in the future.

What a Year

March 10th was a big day. Our folks went for their 2nd dose of the COVID-19 vaccine! What a year it has been with having to close our day program, reopen and try to do what we love based on CDC guidelines. We made it to the finish line folks. We, here at Medicore, could not have done it without the leadership of CEO Tanya Cargill. Also, a thank you to the families for helping the process go smoothly. In the darkest days of this pandemic look back on this past year, we really were all in this together as a family.

St. Patrick's Day Fun

We had our St. Patrick's Day party! We played games, did crafts, decorated cookies, and had a photo booth. There was also a corned beef lunch! We all had a blast!

Consumer of the Month

Earvin is our Consumer of the Month! Earvin is so loveable and cute! He loves holding his Elmo. One of his favorite things to do at the center is to relax in a beanbag chair. He makes everyone smile when he says goodbye in his sweet voice.

Vocab Consumer of the Month

Our Vocab Consumer of the Month is Andre! Andre is a new member of the Medicare family. He is a hard-working gentleman. His determination is very apparent to everyone he meets. He has a great sense of humor and enjoys playing basketball when he is not working.
