

Reminder To All Tenants

We would like to remind all tenants and guests of tenants that there is no smoking allowed inside the building.

Further, as per the City of Toronto Smoking Bylaw – MC Chapter 709, prohibits any type of smoking within nine metres of an entrance or exit of any public building. A “public building” means an enclosed building to which the public and employees generally have access. Entrances and exits of a public building include back doors, fire exits, service doors and employee entrances.

We thank everyone for their attention and cooperation to these above matters and in continued safety efforts of following the mask and distancing bylaw mandates.

Sincerely,

Camwood Properties Ltd.
