# S.T.E.A.M Passport Adventure Summer Enrichment Program 2019

The summer has finally arrived and what better way to celebrate than a trip around the world in 10 weeks? We are elated you have chosen our program and this year's camp promises to be one of our best yet, with all new themes, classes and activities. Thank you for signing up and providing your child with the summer experience of a lifetime!

Now, a few things you may want to know before we start this amazing summer. KTA Summer Passport Adventure will offer weekly themed quests through multi-cultural endeavors designed for campers Pre-School through Eighth Grade determined by your child's completed grade in the 2018-2019 school year. It is crucial that campers be placed in the appropriate grade level groups to ensure similar age and maturity. Our S.T.E.A.M Summer Camp is your child's chance to explore the world through interactive games, activities and fun filled surprises along the way all without leaving the comforts of camp. Our weekly themed sessions are a great way for your child to explore a variety of interest from technology to theater, science, athletics, computers, robotics and more from all around the world. The program offers a well-rounded summer camp experience by blending technology education with the activities and benefits of traditional summer camps. Our summer program accepts campers ages 4 to 13 and runs the full summer in weekly increments from May 28<sup>th</sup> to August 2<sup>nd</sup>. Each week we will explore a different country through their individual customs, traditions and discover what makes them unique. Our center is open extended hours from **6:30 am to 7:00 pm**, and camp begins at 8:30 am for those who require breakfast and activities end at 5:30 pm. However, all campers are welcomed for our extended operational hours at no additional cost!

This year camp will include for all ages (3-13) daily access to our full-size gym and game room, daily theme associated S.T.E.A.M classes, cooking lessons, art projects, daily meal plan, in school field trips (Wednesdays), and recreational swimming in our on-site pool (Fridays). For campers rising to First through the Eighth grade we offer \*weekly off-site field trips as well as FREE swimming lessons\*. All of this and so much more are included in camp for the affordable weekly rate of \*\$175 per camper.

To provide the very best summer camp experience while maintaining a safe, fun and educational environment for each camper; we have included a section of Important Things to Know (page 8-10). There you will find information regarding medication, accommodations, behavior expectations and camp specific policies and procedures. Brief descriptions of each week are also enclosed as well as, daily classroom schedule and enrollment application (please return to center pages 4-7 & 12). However, if at any time you have additional questions please feel free to contact the center.

We look forward to an amazing summer and we're so excited to welcome you to the Kids Tech Family!

# IMPORTANT THINGS TO KNOW

## BEHAVIOR

As campers enjoy their summer activities, they must be mindful that there are multiple classes going on at the same time. Campers need to respect the rules and demonstrate appropriate behavior and language at all times.

Campers are expected to:

- Always display good behavior, behave in a friendly, cooperative and reasonable manner towards other peers, instructors and staff.
- Respect the ideas and property of others.
- Be able to work independently as well as in groups.
- Be able to focus on a task to completion.
- Understand teasing, foul language, hitting, fighting, throwing of objects, defacing of property and any other such behaviors are subject to immediate removal from the program. If a child receives several warnings parents will be notified and your child could also be removed from field trip days. Every effort will be made to correct a child's behavior before this action takes place.

## CELL PHONES AND OTHER TECHNOLOGY

We strongly encourage campers to turn their ringers off and refrain from texting during camp. Although we are a technology-based facility cell phones and other personal technology devices will only be allowed during designated "technology times". Campers can bring in their own technology devices **AT THEIR OWN RISK!** Kids Tech Academy **will not accept any responsibility** for any lost, damaged, or stolen items. Kids Tech Academy will provide students with iPads, SmartBoard and or computer access during technology time and for any activity requiring such technology.

## RECREATIONAL SWIMMING & LESSONS

Each Friday campers will be allowed to recreationally swim in our on-site pool for 1 hour in groups with their class (see class schedules for times). We also offer private/group swimming lessons at an additional cost throughout the summer. The pool is 3 feet on each end and 6 feet in the middle. Swimming test will be given to all students in order to swim in the deep end. Final decisions on swimming ability for the deep end of the pool will be determined by lifeguard and Director.

## FREE SWIMMING LESSONS

Included this year are weekly swimming lessons with each paid registration. This lesson will be on Tuesdays for 30-minutes in groups of 10. Campers must attend and pay for camp each week that they intend on receiving a lesson. Missed classes cannot be made up and one lesson per camper per registration payment will be honored. **In case of rain, lessons or recreational swim will not be rescheduled.**

## DRESS CODE

All campers should dress for the weather. Camp activities can be messy, so please dress your child to have fun in older clothes you don't mind having stained or dirty. Campers will play outside each day. We suggest you send your camper with a sweater or light jacket as some of our classrooms are very cool.

Kids Tech Campers will receive 1 shirt with completed registration. Additional Kids Tech t-shirts will be available to purchase at a cost of \$8.00 per shirt and must be worn on all weekly field trips and on Tuesdays and Thursdays by other students to show school spirit.

Closed toed comfortable shoes must be worn daily. Please refrain from wearing flip flops or sandals of any kind. Some of the issues that arise each summer are broken flip-flops and no other footwear is available, campers scraping toes or stepping on bees and overall ability to participate in many if the activities are limited.

**Kids Tech requires all campers to wear closed toed shoes daily.** Campers not wearing closed toed shoes will not be permitted to remain at camp.

## SUPPLIES

Generally, all supplies are provided but specific materials may be requested for certain projects. Instructors will send a notice regarding special materials in a timely manner.

## FRIDAY VENDORS

Kids Tech will host a variety of different vendors (ice cream, funnel cake, donuts etc.) every Friday. Prices may vary from \$1-\$10. This is an additional cost allotted for throughout the summer. Campers may bring in their own money or it may be given to the front desk for distribution when the vendor arrives.

Kids Tech Academy: S.T.E.A.M Passport Adventure adheres to all Bright from the State regulations for youth camps and is self-regulating according to the regulations set up by the state of Georgia.
