## Car & Specialist Vehicle Club Stand Form

Dear Friends,

At each O.V.T.E. we have around 500 plus vehicles and it stands to reason that some of you like to attend in a group. We welcome this, as it is much easier to fill in one form and come as a group, rather than each member filling in a form and then trying to find space for you all to be together on the field on show day.

Please fill in the car reg. number, year, make/model and owner in the spaces provided (example below). We only need the sheet returning with the members details etc.

Official Use Only	Reg. Number	Year	Make/Model	Owners Name	Do you require a brass plaque*	
					Yes	No
(leave blank)	XDN 123J	1970	VW Beetle	A. Person	✓	

Please also fill in the brass plaque column for each vehicle owner as brass plaques have to be pre-ordered. They are cast brass and they are limited. You do not have to buy one, but if you want one then they cost a minimum donation of **£4.00**. Some members may send £5 or even £10. All you have to do is tick yes or no in the space on the form and send in the money (cheque or P.O). You can if you want put in the amount of money that each person has put in, but this does not matter as long as we know the number of plaques required.

Do not forget we are one of the few rallies that does not charge a fee to enter! **We would welcome a large S.A.E and a large stamp.**

When we get your entry, we shall process it and then send back all the entries and details in one envelope to the secretary, who can then distribute the paperwork to members.

**If your car club is able to provide on field parking stewards and people to direct cars around the field, we desperately need your help as our previous car club members have retired from doing this job.**

If you require any other help or further details, please feel free to contact us or visit the website at [www.ovte.co.uk](http://www.ovte.co.uk) where there is more news and you can download entry forms.

All the best

Nigel Francis
