

Sneaky Universe Newsletter – July 2023

What's new at Sneaky Universe?

The Book of Random Airplane Facts is out. Perfect for those who like planes and all things associated with them. It is filled with facts about planes of course, but also airports and pilots and plane related history and trivia as well as plane related jokes and idioms. We highly recommend it, even if you don't particularly like planes – there is bound to be something everyone will find interesting. Don't forget to check out our YouTube channel for a new book trailer each week! The new Monicow: Bovine Superhero story is almost ready as well as a new picture book about Sustainability. We are always super busy here, but would love to hear from you, we always have time to respond.
