

Farmington Town Board  
Special meeting with Faulks Bros. Construction  
November 8, 2017 @ 1pm  
Foley Road south of State Rd 10

Town Board met with Randy Faulks, and Nick Pankratz (Faulks Bros. Construction) and discussed the following items:

1. Talked about the staked out Foley Road right-of-ways as completed by Point of Beginning surveyors.
2. Talked about tree cutting services need for right-of-ways
3. Talked about safety issues regarding this road.
4. Talked about distance involved in the road project.
5. Talked about road closures during tree cutting and actual maintenance of road.
6. Talked about leaving road in gravel for a year for settling measures, followed by overlay.

Town Board felt it was a project worth going forward with in 2018 because of safety issues for the residents.
