A Better Building for a Better Price

Utility & Side Utility

Available in Premium or Pro Series.

The Utility Series are multifunction buildings adaptable into porchless single or doublewide cabins.

Standard Features: 8' width 6'6" walls. 10-16' width 7'6" walls. Side Utility includes 2 windows & 6' door.

Lofted & Side Lofted Barn

Available in Premium or Pro Series.

Lofted Barns provide more storage with a smaller footprint.

Adaptable into a porchless Lofted Cabin.

Standard Features: 6'6" walls, 6' door. Side Lofted includes two windows.

Cabins are a Premium Series building and come in five designs; standard (left), side cabin (right), corner porch, wrap porch, and open gable.

Cabin Series

Standard Features: 7'6" walls, three windows, and one 9-lite door

Lofted Cabin

The lofts in these cabins make up half the length of the building providing extra storage or sleeping areas.

Standard Features: 6'6" walls, three windows, and one 9-lite door.

Playhouse

The high roof pitch makes the playhouse a popular alternative to the traditional cabin.

Standard features include 6'6" walls with four windows.

Garage Series

Made to support the weight of your truck, tractor, or ATV.

Available in single or doublewide.

Standard Features: 7'6" walls, one window, one 36" steel door, and 9x7 garage door.

Chicken Coop

Our classic coop to house your hens. Now available in Premium or Pro Series!

Standard features include 6'6" walls, 3' door, 2 windows, bird door, roosts, nest boxes, and a treaded bottom plate.

Animal Shelter

These custom shelters will store your tack and protect your pony from the elements.

Standard Features: 6' tack room. 8-10' widths 6'6" walls. 12-16' widths 7'7" walls.

Factory & Dealer Prices are the SAME!
