

LORI ANNE KIRK

Lori Anne Kirk, MDiv is a graduate of United Lutheran Seminary Philadelphia Campus and completed additional concentrations in Multicultural Ministry and Interfaith Ministry. She is currently serving as a spiritual resource with the Long Covid Support Group, and continues standby for the Chaplain Discussion and Support Group; both projects of the PAR Foundation.

She finds the PAR Foundation a fertile environment to share skills and experience toward accomplishing a shared vision and mission while providing opportunities to mentor, build new skills, acquire new experience, and grow personally and professionally. She brings more than thirty years of ministry, instruction, information technology, grant, clinical support, graphic design, administrative, and health care and emergency management experience as both a volunteer and paid professional. She also brings more than twenty years of experience in hospice and end of life care. She has more than thirty years of leadership and team building experience as both a volunteer and paid professional; and has served in a variety of settings including international community, K-12, and research university settings.
