DISMISSAL PROCEDURE

After the show you may pick-up your performer(s) from their dressing room. You must have a picture ID. Please present your ID to the volunteer who is watching your class so they can sign your child out. SAFETY FIRST, only one parent/guardian is allowed to go backstage to pick up their child. Please no additional family members/friends backstage. Men are not allowed backstage.

SAFETY

Children **MUST** be safe at ALL TIMES! Only parents that have been assigned back stage duties will be allowed to stay in the backstage areas. These parents will be recognized by their badges and/or volunteer t-shirt.

It is crucial that all performers check in when they arrive and check out after the show ends. We must know where the children are at all times. Please be patient with us as check out may take a long time. We want to make sure that students leave with the correct person. Please make sure that the same person checks a student in and out. This will help us with assuring the children are safe. You must have an ID present to pick-up your child.
