

## **BROOKSIDE CAMPGROUND P.O.A.A.**

Brookside provides wireless internet access for members only. Internet is available at the pavilion. This service is for Brookside members and their immediate family. The access is secured by password. It is important that we have a written record of those who are using this service.

Please observe the following expectations:

1. Do not give the password to anyone outside your immediate family;
2. Do not leave your computer unattended at the pavilion and use only at pavilion;
3. When playing music or video clips disable speakers and use headphones;
4. Observe the same cautions you would exercise at home when allowing children internet access.

You will be emailed or mailed the connection name and passcode for the Wi-Fi. If any of your neighbors ask you for the password, simply have them contact, a Brookside Board member, between the hours of 9:00AM and 4:00pm weekdays, to request a form for internet service at the pavilion.

***By my signature below, I do agree to follow each of these rules.***
