## Important Points about the Book:

- So many exciting Bible stories are found in Exodus! Exodus starts 280 years after the death of Joseph in Egypt with the birth of Moses. Moses was born in 1426 BC. Chapters 1-2 cover events before Moses was called to lead Israel out of Egypt.
- Chapter 3 covers the story of the Burning Bush and Moses' call
- Chapters 7-12 cover the Ten Plagues of Egypt, including the Passover, established with the 10th plague that called for the death of the oldest child of both man and beast.
- Chapters 13 begins the Exodus
- Chapter 20 contains the 10 Commandments.
- The stories are basically over for the remaining 20 chapters, except that chapter 32 contains the story of the Golden Calf. The other chapters contain laws and instructions for the constructing of the first tabernacle. A tabernacle was like a temple, only portable in the desert.

# EXODUS | 02 OT

Exodus is the second book of the Pentateuch (the five first books of the Bible), all written by Moses. However, it is the one most commonly sought to find information about both Moses and the Exodus, covering most well-known Bible stories, save his death (which is in Deuteronomy). The story of the Ten Plagues, while separated out for easier reference, can be viewed and studied as one story.
