## **An opportunity to meet the FiPL Officers at Cutcombe and Blackmoor Gate markets**

Farming in Protected Landscape (FiPL) is a programme of funding for one-off projects, not an ongoing agri- environment scheme. It will support farmers and land managers to carry out projects that:

- support nature recovery
- mitigate the impacts of climate change
- provide opportunities for people to discover, enjoy and understand the landscape and its cultural heritage
- support nature-friendly, sustainable farm businesses

Meet Sarah Eveleigh and Charlotte Thomas, the FiPL officers, from Exmoor National Park Authority to discuss your ideas.

- Overview of the FiPL programme.
- What funding is eligible?
- How can the funding benefit your business?
- How to apply and next steps?
- Question and answer session.

Pop along to a sale day at Cutcombe or Blackmoor Gate markets for an informal chat with the FiPL officers.

**Dates:** Monday 20<sup>th</sup> September (BMG), Thursday 16<sup>th</sup> September (C), Wednesday 29<sup>th</sup> September (C).

**Time:** 10am -12pm

A general FiPL programme zoom meeting will follow in early October, if you are intending to visit one of the market sessions, or would like to attend the zoom meeting, please register at [admin@ehfn.org.uk](mailto:admin@ehfn.org.uk) or 01643 841455 or turn up on the market day.
