

In the Privacy of Your Own Heart...

As you meditate on the importance of bring your expectation, answer these questions in the privacy of your own heart:

(And remember, dig deep)

- When you go to your place of worship or when you come to Discipleship Way, do you go with expectation to hear a Word from God through the speaker?
- Moving forward, how will you cultivate expectation to hear a Word from God? What will you do to on-purpose expect to hear a Word from God?
- When you cultivate your expectation, how will your taking whatever action you took change your experience in your place of worship?
 - *Do you think church can be a place you look forward to going to again?*
 - *Do you think maybe you'll be more interested in taking notes when the preacher is preaching?*
 - *Do you think you'll walk away with something to think about throughout the week?*
 - *Do you think you'll hear something that will help you take that next action step in whatever situation it is you're facing?*
- How will your cultivating your expectation change your experience in your place of worship and how will it enhance your experience here at discipleship way
