

# Serenje Orphans Children's Home (SOCH)

---

## NOVEMBER, 2015 MONTHLY REPORT

### Introduction

SOCH is now on end of year 2015 holiday that includes Christmas eve. All children have gone to visiting their relatives so that we keep maintaining the both between orphans and their regular relatives. Despite this, all construction and maintenance activities are in continuation at SOCH. Some progress is illustrated bellow.

### Education

All children are doing well in education. All grade 7 orphans who wrote national examinations have passed for higher grades into secondary schools. January will be their first month into secondary schools.

The orphanage campus has not changed to any significance. All is as normal in state as it were.

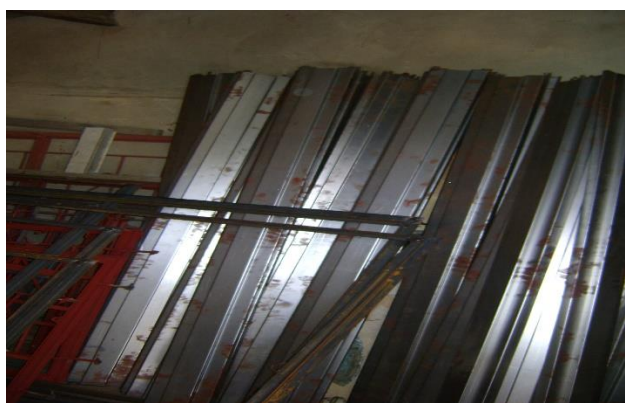

## Orphanage Maintenance

Every holiday becomes an opportunity for SOCH to repair all broken property at SOCH. It has been set that from 17<sup>th</sup> December, there will be continuous repairing work.

## Guest House Construction

As it was clearly explained in the last report, the guest house which is being built as an upcoming income generating property, is being built and its progress is as follows. Brick laying and roofing is finished. Wiring and plumbing are in progress. Some materials for both activities have already been bought and that they are waiting fixing.

## Conclusion

SOCH is grateful for all the support from donors and sponsors. We are also thankful to all of you for having taken your time reading this new letter. More updates will be available early next year.
