2. Non-Profit Updates – JoAnne

- As communicated, the Art Guild of Naples is now a registered 503(c)3 non-profit
- In addition, AGON is now a Member Organization of the Art Council of Southwest Florida, which creates a relationship between the gallery and our guild
 - Now, you do not need to belong to any group other than AGON in order to apply to the COCO Gallery
 - You still have to apply to the gallery and go through their jury process
 - It opens the door for AGON art shows within the COCO Galleries in the future.
 - We also have two places on the Board for COCO Galleries due to this association. Are there any artists currently showing at COCO who would like to help me represent AGON at the ACSWF Board meetings?
