**Preschool:** Fall has arrived! Please make sure your child is dressed with a jacket. We plan to go outside as much as possible! Speaking of fall we talked about fall and the changes that we will see. We made scarecrows and looked at different leaves. This week we will match different leaves and paint leaf patterns. We are still working on letter "a" and "c". Keep practicing these at home. We have started working on the first letters of our names. Please work on this at home too! The more we practice, the faster we will learn. Have a great first, full week of Fall! - **Miss Stacie**

**Kind:** Hopefully everyone had a great three-day weekend! This week will be a review week in my class. We will be focusing on numbers 1-10 and letters A,B,H,M,N,L,I, and R. I am hoping that after this week the kids will be able to identify and write these easier, without as much hesitation. I have seen much improvement just in a short amount of time! Asking your kids about these numbers and letters at home will also help them become more familiar with them. Let's have a great week! -**Miss Rachel**
