We had a café for a week!

Lorie's Twice as Nice Gallery Café stayed at our RV Park for a few wonderful days last month on his journey around Australia, fund raising for Muscular Dystrophy.

Locals and visitors alike loved his project, his hot drinks and his company, with one Brinky person commenting "Its great after a couple of years to catch up with locals for a chat and coffee. We are a truly united community when we can get together."

Lori's parting comment, before heading to Clare caravan park for the school holidays was, "I'd like to share my appreciation to the local community for having me and showing your support."

I loved hearing all of the beautiful stories and getting to know how special little towns like Brinkworth really are. I hope to see you all again in the coming years when I'm back through the area."

G'day readers.

Stay warm, dry and healthy if you can!

Cheers,

Anne. ph 0427968846, on Facebook or aragreen@bigpond.com or PO Box 2, Brinkworth

SPORTS REPORT 30/06/2022

By Lisa Williams

Welcome to the BSR sports column.

We are more than half way through the minor rounds with another home game at the Crosbie on 2nd of July. Round 9 is our league Indigenous Round which allows us the opportunity to celebrate the skills and expertise of Aboriginal and Torres Strait Islander peoples and hope this will highlight the need to bring greater inclusion and respect to our First Peoples.

It has been a difficult few weeks for home games across Brinkworth, Spalding and Redhill with large volumes of our players and volunteers out with COVID and other illness related problems. In spite of the scramble to fill teams and canteens and bars we have soldiered on with great results. The senior football teams remain unbeaten for the season thus far and spectators and players have left the grounds still being fed and watered. A massive thanks to all the volunteers working extra shifts, working at different canteens and all the extra umpire duties. Once again the volunteers are the backbone of our club and we couldn't function without

Hi all,

Well, it is certainly winter hope you are all keeping warm.

A few people in the community are having to isolate because of Covid. I hope anyone in that predicament recovers well and isn't afraid to call out for help. Please take good care of yourselves.

Progress recently **Hosted a Biggest Afternoon Tea** for the Cancer Fund. We raised just over \$300.00 I would like to thank everyone who donated. It was a great effort for a small community. Also, a big thank you to the people that supplied the afternoon tea.

We were entertained by Graham Bales with a song by Tom Jones: "Delila", a few laughs and jokes made for a pleasant afternoon.

Progress is now gearing up for our Town Garage Sale on the 11th of September

So, time to clear out any of your unwanted goods and make a bit of money. This is a very good day for the town and it gets very busy.

Any groups wishing to use our barbies, we have an opening for two groups to raise some funds having a sausage sizzle or whatever. We will definitely need food on the day.

Please just contact me and we can slot you in.

Town Signs:

Well, we finally have our new Town entrance signs and they look really fantastic lit up at night time. Designed by Anne Green "great job Anne". There has been a bit of feed back as to the Brinkworth name not showing up very well in the daytime. We're not sure if this can be changed as it will affect the night time lighting so will see what happens.

Also new signs have been placed at the overnight stay area (RV Park). This has been an ongoing project with Progress and the Council. All RV Parks in the Council area will have them. Certainly an attractive improvement.

Entrance to Brinkworth off Clare road has certainly improved at that corner. Road works take a while but end result is good to see.

Progress has decided that they will refurbish the Post Office frontage and the noticeboard will be placed in that area. Julia has agreed to this so watch the space.

Much happens in the town of Brinkworth.

Enjoy the coming month stay warm and take care.

Yacka Golf Club.

Rain towards the end of May brought relief for golfers tired of dry conditions. The course has responded well and is picture perfect!

Two **qualifying rounds for the club championships** have been held, with the third and final scheduled in July.

The **Northern Group Pinehurst** was held at Tarcowie, a new venue for, and enjoyed by, the six members who entered. A beautiful course by all accounts. Zach Fielding and Zac Sommerville won their section.

The **Yacka Men's and Women's Open** will be held on Sunday July 3rd. It is always a day of high quality golf.

The **Yacka Farmers' Day** is being held on Tuesday July 12th. Everyone is welcome with tee off between 9.30 and 10.30. It's an Ambrose comp which is a lot of fun. Teams of four but if you don't have a group to play in, it can be organised for you.

The busy month concludes with **Pennant Day at Pt Broughton.**

Anyone looking for a game during the week can join the Thursday comp, currently playing nine hole, teeing off at 9 am.

It looks even better at night!

Last month speaker Darrin Bennett gave a brilliant presentation **"On Assignment with Lindblad/National Geographic" - A path less travelled:** a photographic journey travelling on board the ship Orion through remote destinations including Antarctica, the Sub-Antarctic Islands, the Kimberley, PNG & Borneo.

Darrin, who now lives in Clare, spent time as a ranger at Kakadu before going aboard the Orion for ten years as an Expedition Guide. His particular passion is the rock art in the Kimberley but he also had fabulous photos of scenery and close-ups of wildlife from Antarctica and the tropics. Members decided a cruise on the Orion would be a good way to celebrate next year's 40th anniversary of our group - if only!

NEXT MEETING

Friday 29th July

Tea Meeting 6.30 pm

Guest speaker Steve Howard with a presentation "SA Terrestrial Orchids".

Steve will have some native orchids for sale. Followed by a business meeting.

No Strings....

We meet Monday mornings at the Uniting Church Hall from 10 to 11 am except public holidays.

Everyone is welcome to join us for a friendly chat. We are observing social distancing.

If you haven't seen many people lately, then this is for you! Come when you want, if you want; no apologies or explanations needed; no strings attached ☺

Due to Covid restrictions, please bring your own mug, thermos, snack etc

Brinkworth Management Committee next meets for its **Annual General Meeting on 8 August at 7:30pm at the Hall**, to be immediately followed by an Ordinary Meeting. The BMC is primarily an administrative 'umbrella' and information exchange for various groups in town. We continue to seek the services of a volunteer for the position of Treasurer. Please call 8846 2243 if you might be interested.

The BMC holds a generous grant from the Foundation for Rural and Regional Renewal (along with several other funding bodies) for the purchase of a **community bus** for our town. The purchase has been much delayed, primarily due war and plague. The latest news we have received is that it is scheduled to be actually built during July. It then has to get here. We wait.

Brinkworth Soldiers' Memorial Hall Committee next meets on 18 July at 7:30pm at the Hall. The Hall and its facilities (including a gym and I.T. Hub) are available for use at reasonable rates. If you wish to make use of the hall or get involved in the management of this wonderful community resource, please contact 8846 2254.

The Art Show (postponed from May) is now scheduled to occur December 9-13 at the Hall.

The Special Projects Group next meets at the Junction Hotel on Wednesday, 20 July at 7:30pm. We work towards the next Lawnmower Race (probably next April) and various other smaller projects before then.

The Winter Wood Raffle will have tickets on sale at pub and post office and various other local outlets. It will be drawn at the end of July. Proceeds will go towards Special Project Group activities.

Your Community, Your Garden

Things are starting to look promising now — except for the brassicas which have succumbed to Cabbage White Butterfly caterpillars :(

We should get a feed of silverbeet, spring onions, a few beetroot and lettuce and some peas with luck. In the meantime there are a few weeds germinating so if you go for a look please pull them out while they are small.

Roll on the warm weather so we can plant some tomatoes!
