"Democrats just INCREASED your monthly Social Security check by 8.7%. Republicans want to SLASH Social Security. Any questions?"

- JEFF TIEDRICH

MAGA promises to GUT Social Security and Medicare

"We ought to turn everything into discretionary spending so it's all evaluated."
- Sen. Ron Johnson (R-WI)

"Maybe we should privatize Social Security."
- Blake Masters (R), U.S. Senate candidate for AZ

"All federal legislation sunsets in 5 years. If a law is worth keeping, Congress can pass it again."
- Sen. Rick Scott (R-FL)

Older adults are at serious risk from the MAGA Republican extremist agenda.

CAP ACTION

Ron DeSantis announced \$1,000 bonus checks for first responders, but forgot to mention that the money he is using comes from President Biden's American Rescue Plan.

Floridians should thank President Biden, **NOT** Ron DeSantis.

@AaronParnas

MAGA Republicans have made a commitment to:

- ✓ Banning abortion
- ✓ Repealing the Affordable Care Act
- ✓ Overturning the Inflation Reduction Act
- ✓ Gutting education funding
- ✓ Tax breaks for the wealthy & corporations
- ✓ Ending Social Security & Medicare as we know it

Extremism

But to "America?" Nope!

IN THE LAST 18 YEARS, THE GOP HAS VOTED 9 TIMES TO RAISE THEIR OWN SALARY

(RAISING IT A TOTAL OF \$40,000)

AND VOTED 14 TIMES NOT TO RAISE THE MINIMUM WAGE FOR AMERICANS

(AND MADE 71 ATTEMPTS TO GUT YOUR HEALTH CARE)

The Speaker of the United States House of Representatives **helped** save the Vice President of the United States **from being killed** by the President of the United States.

THAT'S ONE FOR THE HISTORY BOOKS.

"I had hoped from the bottom of my heart that at least on this issue — the need to protect and defend our veterans and their families — we could rise above the day-to-day rancor and party politics that we see here in Congress... The cost of war does not end once the last shots are fired and the last battles are fought. When members of the military lose arms, legs and eyesight fighting in wars that Congress authorized, we have a moral obligation to make sure that those Americans receive all of the benefits that they have earned and deserve. When American soldiers die in combat, we have a moral obligation to make sure that the spouses and children they leave behind are taken care of and do not live in abject poverty."

~ Bernie Sanders
