

Harm Reduction

Responding to Family Issues SEMINAR #32:

Purpose:		The Responding to Family Issues creates a plan for future use in how the family will collectively respond to an issue.
<input type="checkbox"/>	Instructions	Harm Reduction is first an issue of the family members support in the recovery journey. Second it is a community acceptance of the issue “do no harm” and care for those in need.
	Identify the Issue	First, identify what issue you are seeking to address. Write what you know about the issue. Then proceed.
<input type="checkbox"/>	Complete Family Transformational Response (F.T.R.)	Complete each section in the F.T.R. worksheet using your identified issue. This seminar reviews what is included Family Member Part of Harm Reduction. Which of these will the family member need to seek help in solving?
<input type="checkbox"/>	Complete Family Value Based Decision -Making Model.	In the Family Value Based Decision-Making Model worksheet complete each section, then take that information and use it as your decision on what you will do collectively as a response to this issue.
<input type="checkbox"/>	Key Topic #1: What does Harm Reduction Model Look Like	Your family members will seek to identify their own level of understanding in regards to Harm Reduction by first understanding what a Harm Reduction Model looks like.
<input type="checkbox"/>	Key Topic #2: Pro’s & Con’s to Harm Reduction	Understanding what the specialist and policy makers with community leaders are saying both Pro and Con to this the Harm Reduction model.
<input type="checkbox"/>	Key Topic #3: Avoiding Overdosing and Fentanyl	Because the deadly inclusion of fentanyl is so widely distributed, testing before using is a value added feature to a Harm Reduction Model.
