It's that time of the year where we need to talk about our Winter Weather Driving policy: If road conditions are unsafe and your staff does not feel comfortable driving to your home, we ask that you reschedule your shift for another time that week. We also ask that our staff contact our office to notify us that you're rescheduling your shift due to weather. Our mission is to keep everyone safe in our MILS community and we appreciate your understanding.

Stay safe and warm!
