My Testimony of the Demonstration of Light and Power
Revealed Within My Heart and Soul: It is Come to Pass,
the Son of Man, is Come in Glory and Power!
Who is Jesus Christ

In that moment, bright and early that Sunday morning, ^(in the year 1977) as I stood with
^{Heb. 11:6} my head lifted up, while diligently seeking God, and believing and loving
the Lord God with all of my heart and with all my soul and with all my
mind, and with all my strength, (in reference to Mark 12:30), that God
would fill me with his Holy Spirit, (in reference to John 14:13, 14, 16, 17),
Eph. 3:1-20, specif. verse 19; 4:4-13; specif. verses 12, 13; Eph. 5:18)
suddenly within my heart and soul, I literally and
physically experienced and witnessed the real and
actual sensation of a flash of light that suddenly
sprung on and shined within my heart and soul:
light, as in radiant energy. That is, a ^{great} ray of light
felt in a wavelike or vibrational motion. Truly, this
was the literal sensation of physical and electric
power. (Note Rev. 22:12, 13, 16.)

scriptures, in reference to II Tim. 3:16, with the word of my testimony of God, which was in demonstration of the Spirit and of power, in reference to I Cor. 2:1-4. As the holy scriptures and the word of my testimony agree and are the same!

For this is my testimony of Christ and of God as it is written in the scriptures and as it is authoritatively, accurately and literally defined, shown in Chapters 4-15: My Testimonies of Christ and of God: Scriptures of Confirmation and Interpretation!

Note the following definitions of (1)"light", and (2)"power", which I, literally, witnessed and experienced in my heart and soul, being my testimony of Christ and of God. As my testimony is not only "in the way" it is written in the scriptures, in reference to I Cor. 2:13, additionally, my testimony and witness of Christ and of God whom I experienced is "as literally defined and interpreted according to the standard dictionary", proving my testimony is a fact, which actually exist, and, therefore, is not imaginary or fiction, (meaning, imagining that which does not exist or is not actual, or hypothetical, which means, having the nature of or based on hypothesis, meaning assumed conditionally or tentatively as a basis for argument or investigation).

Therefore, note all that is defined and emphasized showing and indicating that this is the way in which I literally and physically sensed and experienced the very real and actual "light" and "power", as in demonstration of the Spirit and of power, in reference to I Cor. 2:1-4,

being the manifestation of the life of Christ and of the life of God, as confirmed and interpreted by the holy scriptures, again, in ref. to Heb. 5:5-14.

See definition of "Power", (pg) 604.
