College & Community Resource Network

# MISSION

We are committed to raising awareness and access to quality post-secondary options for Chicago area high school students.

## What we do:

- Provide college readiness information and preparatory resources for local high school students through direct college coaching, high school events and annual summit
- Provide job readiness and professional development training to students as they prepare for college, an internship or the workplace
- Provide resources and information for parents and guardians of local students in an effort to include them in the process
- Provide resources for Guidance Counselors and educators on how to engage and build trust with diverse student populations
- In partnership with the Franklin-Golden Scholarship Fund offer scholarships to deserving undergraduate college students

Helping students prepare for and connect with college

## Our Programs
