## Last Month Look Back

Our April 24<sup>th</sup> Outreach was just amazing, and we blessed well over 130 vessels. It's always a joy to bless the community and hear their wonderful feedback on the food and the care packs. One gentleman expressed multiple times how awesome the food was! They were hungry and were asking for mask. Many of them was lacking this important item. We provided everyone with a mask and praying we can increase to 2 or 3 in their care packs moving forward.

Giving God all the Glory for allowing us to increase the food items, clothing, and PPE this month. Supporters you all showed up for Soul-Lifted Sisters again this month. T-shirts and Fruit Cocktails added to the already wonderful meal and care packs!!! Wait, did I mention the Chang Family put all the care packs together for us and boxed them up. Words of gratitude can't express how much this helped!!

Humble thanks to our amazing volunteers who came out to serve with us this month. Your dedication in this season is priceless. Thank you for understanding the mission we must carry onward.

Chemo Care Packs and Cards or Encouragement went on April 26<sup>th</sup>.

It is with great pleasure to announce our Soul-Lifted Sisters 2021 Volunteerism Scholarship Award Winners.

### **We are celebrating 9 Years of Ministry**

#### *\*A Note from Our Founder\**

As we celebrate another year of ministry, I count it all joy! It has been a humbling yet fulfilling assignment over the years and I truly thank God for the directive, vision, and the calling. Following the leading of the Holy Spirit has allowed this ministry to blossom like never imagined. When I look back over the years and see the elevation, I can't help but give God all the praise, honor, and glory.

I continue to humble myself unto the Lord and ask He continue to order my steps. The Lord has allowed us to touch many lives around the world and I am truly grateful!

I want to thank all the supporters who have invested time, seeds, and energy into this ministry over the years. It takes a team and each one of you play an intricate part in the success of this organization.

To my personal village thank you for always stepping in when needed and forever having my back. The love you show me is immeasurable!

We have reached so many milestones over the years and I continue to declare and decree favor blessings over this ministry and everyone affiliated with us.

Wow 9 years and continuing.....

Love you all to life,

Minister Erania "Rainey" Witherspoon
