FRIEDREICH'S ATAXIA

For the 19th year we will be supporting the Friedreich's Ataxia Research Alliance (**FARA**).

This is a foundation in need of contributions to help raise awareness and find a cure for the neuromuscular disease. My niece, Erin O'Neil, who is very special to me and my family, has been afflicted with this illness. In the last 18 years we have raised more than \$246,000.00
