

Lt. Colonel William Henry Chapman Society

Greensboro, N.C.

Paris Feb 5th 1864

Dear Brother; I just returned from a scout¹ near Charlestown. Met with a party of Yankees and attacked them killing three wounding seven and capturing three Yankees and four horses. Do not get the ring I wrote to you about a day or two ago as I am going to send to Richmond today.

Your Bro.

W. H. Chapman

¹ The about scout is referred to by Williamson in Mosby Ranger. Page 133 and by Scott in his Partisan Life with Page 148.
